Tagg a coon @ Des Penman Reserve, Nollamara

Preamble:

35 men of Hamersley left their parked cars in a high risk area to walk 100 metres to where the van was at the Nollamara Sports Centre. Simultaneously, GM mounts the crate and the RA calls for order. **Tagg** then explains the run and tells them to head east at Lemana Rd.

The Run:

For those that completed the course, it was not as bad as it was made out in the circle. **Tagg** wanted a lot of False Trails so the **Tagg** Support Team (TSG) made sure there was plenty. To summerise, the trail went south on the east side of Des Penman Reserve, just after the RSL it went left on Apará Wy briefly going onto Nollamara Ave before a long wiggly bit up Flinders St, turning left at the JW's hangout heading north and turning right at Ravenswood Dr. Then a bit of a left right through the odours of currys being cooked until they turned left at the Arkana fish and chip shop. Turning left again at Stroughton Rd and again left righting all the way bay to Ravenswood Dr. Some were losing hope of finding the drink stop but, just like magic, there were the boys with VB and witchetty grub lollies for the ones that perservereared. It was downhill all the way from Tony Marcon Park to on home.

Circle Up & Visitors/Returniks:

The GM mounts the crate and calls for an abbo kid to get into **Coops's** car. Our returniks were: **Screwdriver, Mullaway, Captain Hook and MauSei.**

General Business:

Donka told us it is 298 days to Inter Hash, there are boat cruises, trips to Cuba and the like being organised. Pan Asia and Mekong Indonesia were also mentioned. **Precious** told us the **Duffy** had just bought two raincoats. **Tagg** has organised this week's lunch at Good Fortune Roast Duck House at 354 William Street Perth.

Charges:

Mullaway on **Bravefart** for being a soft cock not using his Viagra. **Coops** on **Mullaway** for being captured in a photograph on holiday, his photo appearing in the West Australian and **Mullaway** has no hash gear on nor any mention of Hamersley. The GM on **Coops** for locking his keys in his car. **Disgraceful** on **Voodoo** for drink spillages. **Bravefart** on the **Tagg Support Group (TSG)** for the "double false trail" claiming it was a fuckup and it confused him, by right of reply, **Sir Kumsiz** admitted it was something different to keep the runners on their toes and that **Bravefart** was the only one out of nine runners that got confused, the TSR took the charge.

ARSE Report:

The Fat Cunt stood on the crate and called the cunts to order. Word of the week is "*Rasure*" and the clue is **Shit Scraper**. None of you clowns guessed it, it means scraping at a parchment, usually to trying to erase things from a document. On this day, happened in 1997, **MauSei** is banned from guessing, he gives it away for a boong egg to **Wimpy**, it was when the Pommy cunts handed Hong Kong back to the Chogi cunts. The chinks didn't want **MauSei** either, so we got the kiwi prick.

While **Wimpy** is getting his boong egg, he is called on to do a sport report. The cunt starts talking about some VFL game on Sunday but we want to know what happened in the WAFL on Saturday. **Wimpy** has selective memory and talks to **Boof** about the ODI on Saturday night.

Now we happened to have a couple of throttlers with birthdays this week. **Gasman** calls in **Popeye** and the GM. The RA reckons blondie might spit the dummy again, so he gives the cunt one. Asks which one wants to receive the cake, **Popeye** is a bit shy so he gives **Mel Adjusted** a chocolate mud cake. "There ya goes yas cunts, now ya can fuck off", our RA intoned. While they're there, he gets them to spin the wheel. The GM spins a boong egg, but the spin was that limp wristed must be the Friday hash coming out in him. "Spin it again like a H4 god ya cunt", the RA encourages. He almost breaks the fucking thing and spins up **Tampax** on ice. **Popeye** spins the bald headed cunt up as well, then **Coops** comes in and spins **Mr Potatohead** on ice. The A.R.S.E has heard him farting and doesn't want another chocolate Mudcake left behind so lets **Mr Potatohead** use a trump card on **Kazi**.

WOW:

Now it is Wanker of the week time. We have two incumbents, our noble on sec **Sir Kumsiz** and **Mac the Mouth**. They are asked for any nominations and to the RA's shock and amazement, **Sir Kumsiz** goes off at some of the cunts. Because he got it for shaking some fucking throttler's hand (the cunt we don't name) years ago he starts with **Mullet** as the dobbing sniveller that put forward **Sir Kumsiz** as a nomination last week citing he even said the unmentionable's name,.. twice! He found out through the week (from a secret witness) that **Coops** practically fell over himself and others to shake the unmentionable's hand at a similar event. **Sir Kumsiz** brought up several "suggestions" on why the RA should be considered a wanker for the week. Both **Sheep Thrills** and **Wimpy** interrupted **Sir Kumsiz** during his reading of nominations and were brought out as interrupting wankers and last but not least **Scraper** was nominated for being a dumb cunt during word of the week. **Kazi** got nominated somehow as well, probably because he was moaning being on the ice at the time. **Mac the Mouth** was happy with **Sir Kumsiz's** nominations and no further nominations came from the circle. The RA didn't feel he needed any more and called for voting. The boys recognised **Mullet** was doing the right thing dobbing the On Sec in, so he was told to fuck off. The RA never really heard the suggestions about himself, must be the same hearing problem he had when **Tagg** nominated **RADS** earlier in the year. When **Sir Kumsiz** was the vote, the boys nearly blew the house down. "The rest of you cunts may as well fuck off," our RA continued "give your shirt back **Mac**" and with a tear in his eye "Storm Boy" pronounced **Sir Kumsiz** a carryover Wanker of the Week. Next year is looking colder and colder for "Sir Percival".

H4 Honours: Tonight we Congratulate:

Troppo for donating some new down down mugs.

Jokes:

All coon jokes, part of the act and not suitable to put up here.

Run Report:

Bravefart thought it was a good run despite the “confusing” markings. He split the score thus: **Sir Kumsize 1, Tagg 2 and Spud 7** saying it was 9 out of 10, Obviously numbers as well as Hash markings confuse him $1+2+7=10$ you silly cunt!

Ice:

Quiet night for the cold seat, **Scraper** as the word clue, **Tampax** twice a victim of the RA’s spinners and **Kazi** got trumped by **Mr Potatohead**.

Next Week’s Run:

Boof, Millington Reserve, Karrinyup.
