Boof @ Millington Reserve, Karrinyup

Preamble:

A wet start as 34 men of Hamersley gathered in the shelter of the Scarborough Football Club under croft. The RA called the mob to order and the GM invited **Boof** to talk about his run. As **Boof** is a runner, he told the runners what to expect and said to the walkers that they can go anyway they liked.

The Run:

Heading south down Deanmore Rd past the old folks home the trail took a left at Blair St, another left and it was along McLintock Wy. Right down Duke St turning left at Rockcliff Av getting on to Gladman Wy where some false trails amused the pack. Looping around passing Rockcliff Av to Thomas Wy reaching Our Lady of Good Counsel School. A "U" turn running down a park track and coming out on Jackson Ave and turning for the coast. Ending up turning right at Newborough St and swinging left down Tibbits Lane and right again at Sackville Tce. Down Trenthowan lane to turn left at Moorland St and across Abbett Park, through a back lane to Southbourne St turning north at Filburn St, running into Nautilus Cr and through to Pearl Pde via another back lane. North up Ozone Pde and working it's way to West Coast Highway then looping around via Peet Cr to eventually hit Elliot Rd with a false trail almost back on Sackville Tce had the pack back tracking to pick up the trail at Marsden St and north up Lovett. Following a bit of a wiggly bit to come out at and cross Herb Elliot Oval. Once over Jeanes Rd the On On was in sight.

Circle Up & Visitors/Returniks:

Halfway is welcomed back as our only returnik.

General Business:

Halfway was really excited to announce the Eagles won. **Disgraceful** advised that the Restaurant Run is postponed, **Bravefart** will do this run as a BYO. **Squirt** may do the other outstanding run. **Cookie** advised the Dockers number one fan **Captain Hook** that if his team was feisty like **Kazi** is tonight they might have won. **Tagg** reported that 15 people turned up for the hash lunch and wanted to know where the fuck was everybody else?

Charges:

Barrelina on **Kazi** for being a slack cunt. **Screwdriver** on the hares for an unsafe run causing injury to hashers, **Cookie** took the charge. **Voodoo** on **Bravefart** for making his accident more miserable that it had to be on the run, basically kicking a crippled **Voodoo** (and his torch) while he was down, the GM changed the charge to an accolade. **Bravefart** on **Cookie** for his dereliction of duty on the run, not putting down enough chalk markings, **Cookie** rebutted that it was poor quality non-BGC plasterboard, his defence was futile. **MauSei** on **Cookie** suggesting that owing to **Cookie's** antics, he should be our next unmentionable, the charge was reversed. **Mullaway** wanted to charge someone for being excluded in the latest annual, this charge went nowhere until **Screwdriver** came out and charged **Mullaway** with treating the annual with disrespect, the charge stuck. **Disgraceful** on **Popeye** for inviting hashers with tits to the lunch, despite that he might have arrived after them, it was established that the precedent of inviting the fairer sex to Hamersley lunches had been set years ago, charge reversed. **Wimpy** tried to charge **Tagg** for a disorganised lunch, this charge was reversed due to the lunch goer's protests.

Unsheduled Sports Report

Prior to the RA coming up, **Captain Hook** and **Mac the Mouth** were asked to give a sports report. **Captain Hook** reported his beloved team the Freo Dockers (2.19), let him down by losing to West Coast (19.8) by a staggering 91 points! **Mac the Mouth**, equally heartbroken with a tear in his eye and a lump in his throat was saddened to report that Collingwood (9.9) lost to Hawthorn (9.13) by 3 points.

ARSE Report:

The big foul mouthed cunt takes his turn on the crate. Well, "ya can all get fucked!" he says, "I kept all youse cunts dry on the run, now ya sooking about rain in the circle ya soft cocks!" As the RA stated the GM is dry with the shelter the hares provided and that's all that counts. Now, he calls **Halfway** up as the clue for word of the week. **Halfway** pulls out a trump, tells **Kazi** to park his arse on the block. **Kazi** starts to spit it again, so **Halfway** says "fuckit, I'll take the ice meself, and me trump card back as well cunt". Word is "*Halfpace*", no you cheeky cunt, who said that's the speed the RA operates at. A further clue is being a builder **Boof** might know. No cunt gets it, Its a raised floor or dais or a platform or footpace at the top of steps (as for a throne or an altar) or a landing of a staircase like a broad step between two half flights. Looks like **Boof** only builds bungalows as sheep are scared of heights. On this day, we have two of them, both related to fucking yanks. In 1889 something was published and 1959 a few of our lads were around the area a bit later. **Mr Potatohead** guesses Wall St Journal was published, no one got first yank casualties in Vietnam. Unfortunately they weren't the last either. **Popeye** is bought in to take his dummy off him, but the fucking throttler forgot it. Fuck me, we had **Cookie** and **Kazi** and spit it tonight, perfect candidates, anyhow down down cunt. **Cookie** bought in for a spin, **Mullaways** choice. He wants **Cookie** to take a seat. **Mullaway** has a spin and Fuck me, **Cookie** on ice. So the cunt stays put. Some cunt spun Bus driver on ice and who drove the van? **Popeye** fuck me, another dummy spit? Nope **Popeye** is happy to take a seat until **Barralina** calls him a blonde haired throttler, **Popeye** said "it is was bad enough taking that shit from the fat cunt on the crate, not from you as well ya toothless prick." And then trumps **Baralina**, "learn to keep ya trap shut cunt". Was **Popeye's** final bit of advice while **Barrelina** takes his place.

WOW:

Sir Kumsize happy for a carryover because it's too cold to take the shirt off, but at RAs encouragement calls **Kazi** out for being a disruptive, disrespecting cunt in the circle. **Coops** is called out for being a dumb cunt, locking his keys in his car last week and having his bike knocked off this week. "Not very good with the transport thing ya dickhead," the RA observed "if ya rode a skateboard the wheels would fall off."

Tampax is called in, been seen on a new bike. Kosh he says, paid for it, a bottle of sweet cooking sherry from some of his clientele's offspring outside some restaurant and it was his. The RA gets **Prescious** up, he says he can't drive the van next week as the silly old cunt has no licence. "Fuckit, the pigs will never catch me," he reckons, "I'll drive the cunt anyway." The RA says he is a good man and gets to fuck off. Voting is on, and **Sir Kumsize** has to brave the cold because **Coops** is the unanimous choice.

H4 Honours: Tonight we Congratulate:

Prescious for staying with **Coops** until the RAC arrived last Monday.

Run Report:

Tropo said although the run started in the rain, it stopped soon after, he commended the RA on his weather control. The hares did a great job, it was a long way which made for a good run, 9 out of 10.

Ice:

Halfway as the Word of the Week clue. Cookie became a victim of the random spin. **Barrelina** got trumped by **Popeye**.

Next Week's Run:

RADS, Webber Reserve, Willagee.

Next week's van driver:

Prescious

Hares Act:

The hares put on a great satirical skit about Australian football management that had great audience participation, notable by his absence was **Captain Hook** who was probably the only Hamersley man who couldn't see the humour in it.

Song:

Captain Hook led us on Raise your Mugs

H4 Hashhouse:

Soup which is a good Collingwood supporters' staple, apparently **Mac the Mouth's** favourite.

ON ON Sir Kumsize

Mel Adjusted / Sir Kumsize 34/52

Note:

Duties of the Hare, extracted from "Guide to Hares"

"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."

"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."
