## RADS @ Webber Reserve, Willagee

### Preamble:

A very unhurried , setting up by **RADS** with **Tampax's** assistance as 29 men of Hamersley gathered for what **RADS** claimed the best run of the year. The RA called us to order, the GM mounted the crate and **RADS** further claimed the virtue of the run saying there was as many drink stops as garden taps and there will be a piss stop he then set us off in an easterly direction.

### The Run:

The trail started out following Hodge St then running into Bawdan St. After a small false trail it was down Lodwick St and into Clause St hitting Winnacott Reserve, some confusion before heading south skirting the southern end of the reserve to hang a right at Worley St did a bit of 360 near the IGA before shooting down Denien St to turn right at Wheyland St. Kept due south doglegging on to Greig St to turn right again at Butler St, a long stretch broken up by some false trails to turn right at Harmony Park. Turning left at Archibald and left again at Race St, turning right at Patti St until the trail got to Garling St. Heading west and turning left into the industrial area with a few checks and false trails before emerging from the area by Keegan St crossing Garling St and running north coming on to Stock Rd and at Boon St the On Home was sited.

### Circle Up & Visitors/Returniks:

**ELF** and **Rooted** welcomed back as our returniks.

### General Business:

**Kazi** thought it prudent to tell us that when **Donka** hit Broome, an earthquake happened. **Spud** mentioned the Bali trip, happy to make it a Rotto on Bali, November 1<sup>st</sup> to the 3<sup>rd</sup>, Email **Spud** for further details.

### Charges:

**MauSei** found some Hamersley “documents” pertaining to the RA just lying in the car park, **Tampax** owned up his raincoat pocket must have malfunctioned and took the charge. **Cookie** was upset that the hares built up his hopes of a drink mid way, but, alas, the stop was a “piss stop” directing the thirsty runners to a public restroom, **Cookie** thought this was the worst of humour, even with **Sheep Thrills** schooling our distressed runner that it was the best of toilet humour, in the end **Sheep Thrills** took the charge. **Spud** brought out **Ampol** because he busted the prick appearing to take notes during the circle which means he has no confidence in the accuracy of the On Sec’s note taking, **Ampol** cleared up the matter by explaining that because of **Screwdriver** arriving late, he was catching up on important Historian business, **Screwdriver** copped the charge for causing such discord. **MauSie** had a go at his best mate (what a wanker), for telling hashers that **Disgraceful** was present when he was not, all **Mullet** could say is he must have mistaken our GM as the absent hashman. **Sheep Thrills** was found to be wearing “office” shoes which were new shoes, he ate a chilli rather than have his nice new shoes smelling of beer.

### ARSE Report:

**Gasman** gets back on the crate and let's the cunts know seeing it is a chilly night, they don't need to sit on the ice if they don't want too, they have an alternative. The fat cunt pulls out a pack of chillies, “you can have a chilly arsehole or a chilli gob ya cunts,” our esteemed advisor announced. Word of the week, the clue is his mate **TAGG**. “Ice or chilli cunt?” the RA questioned, **TAGG** wisely doesn't trust Storm Boy after another chilli incident at **Leach’s** place at a SOP run and takes the ice. “famelicose” is the word, none of the cunts have a clue. After much hinting **Kazi** gets close enough to earn a trump card, it means someone who is always hungry or always eating. Slow down **Tagg** or you'll end up like **Gassy**. On this day, a medical discovery in 1941, **Screwdriver** immediately jumps in with Penicillin. Only some cunt with as many trips to the pox doctor as him would be that familiar, a boong egg for the infected cunt. Sports reports: **Cookie** called out, we reckon if he had one point to make, it should have been done at OPTUS stadium and not here, **MauSei** comes out to tell us about the cricket. Reckons he hasn't seen that much cheating and foul play since that lawn bowler Chappel cunt in '81. Don't worry mate, we'll give you a cup to drink out of 'cos you still don't have one in NZ. **Sheep Thrills** gets the dummy spit award after a combined effort from last week and this week. His sooking about his new shoes saved **Kazi** or **Cookie** getting it. Random spinners are started with **Brave Fart**, he spins hare on ice. **RADS** takes a chilli, says it isn't hot but the RA notices he leaves half, **RADS** spins hares choice and picks **Kazi**. Dumb cunt sits on ice, the RA only gave him a trump 10 minutes ago. **Elf** spins himself a trump.

### WOW:

**Coops** as a carry over, **Coops** nominated **Tampax** for no strings attached to his trump cards and boong eggs, he nominated **MauSei** for not hanging on to such “valuable” RA documentation citing that they could have been to his advantage in future so **MauSei** must be a dumb wanker, He also nominated **Kazi** along with **MauSei** for fucking up their down down songs. **Cookie** pointed out to the RA **Sheep Thrills** had vandalised the run site and wrote his name in the concrete. **Sheep Thrills** wasn't going to cop this and pointed out it couldn't be him as it said “Shep”. R.A said “come out ya cunt, we never thought ya could spell anyway, at least **Arseholio** can get his own name right, ... sometimes”. It's put to the vote, the RA has to get them to vote a couple times to get it right, but the boys yelled loudest for “Shep” AKA “Sheepy”, AKA **Sheep Thrills** who gets a H4 shirt to replace that office shit.

### H4 Honours: Tonight we Congratulate:

**Precious** and **Mr Potatohead** for doing the Splash tonight.

### Jokes:

**RADS** told some as part of the act.

### Run Report:

**Coops** reported that he was ahead of **Cookie** which is always a good thing, he was loathe to say, it was a good run despite the confusion and the miscommunication of what kind of stop was on the run, he gave it 9 and a bit out of 10.

**Ice:**

**Tagg** as the word clue, **RADS** ate a chilli instead of taking a cold seat. **Kazi** victim of a random spin.

**Next Week's Run:**

**Mudguard**, Carine Guide Hall.

**Next week's van driver:**

**Rooted**

**Hares Act:**

A humorous talk by **RADS**, which will appear in the annual.

**Song:**

**Rooted** led us in Australia's Hash

**H4 Hashhouse:**

Spagetti and meat balls.

**ON ON Sir Kumsize**

***Mel Adjusted / Sir Kumsize 35/52***

**Note:**

Duties of the Hare, extracted from "Guide to Hares"

*"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."*

*"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."*
