Mudguard @ Carine Open Space (Girl Guides)

Preamble:

29 men of Hamersley had actually started gathering at the appointed place before the van arrived. Once it did, **Mudguard** swung into action directing **Replicar** to where the van should be, getting out generators, tables and the like. **Cookie** unused to driving a workers vehicle provided entertainment by attempting to reverse park in a sport, he seemed to try out a few before he found one he was happy with. At the appointed time the GM invited **Mudguard** to speak about his run which was on chalk he waved us off in a southerly direction.

The Run:

Had a long false trail right off the start, before crossing over Reid Hwy via Pendine St Bridge. Hitting North Beach Rd into another false trail then doubling back to Duffy Rd. Heading north up through the houses with false trails all over the place until crossing Reid Hwy again at Duffy Rd. Continuing on the north part of Duffy Rd past Arbuckle Reserve, hanging a right at Camelot St, slowly winding north west along Tresise St then finding a lane west on to Duffy Rd again. Doubling back after a long false trail at Lake Carine Gardens the park found themselves on Wessex St going south. Another lane west got them onto Risley Wy, then another west onto Monash Rd and south for On Home.

Circle Up & Visitors/Returniks:

Squirt was our only returnik, he was given a song a down down and pissed off back into the circle.

General Business:

Disgraceful advised that a hare is needed for the 5th August. **Bravefart** supposedly acting for **Donka** advised us that the Offshore Run in Trinidad/Tobago will be happening, he also plugged his sojourn to Saigon, some rebel tour I am led to believe. The On Sec announced the Hashmas, Black Tie, Friday the 13th Cocktail Party will be happening on the 13th of December at 6:30pm. \$65.00 will get you drinks and platters of food until 9:30pm. This will take place on the rooftop of the Oyster Bar at Elisabeth Quay.

Charges:

Bravefart on Kazi for selling his 2020 Interhash rego for \$120.00 when he paid \$150.00 for it. **Coops** on **Captain Hook** for having a book written about him by Chopper Read but no mention of hash or Hamersley.

ARSE Report:

The fat bastard has copped some flu from one of **Mullaway's** oriental tarts so **Tampax** has a go at filling the RA's spot. **Tampax** says fuck the wheel and got into on this day. In 1298 **Tampax** reckoned **Bravefart** should got it in one, he got that it was William Wallace but fucked up on the battle, the dumb cunt was corrected by **Sir Kumsize** who got a boong egg for his troubles. 1918 something happened that all Kiwis should have guessed, **Sheep Thrills** said some sheep must have got murdered or something, he was the closest, in Utah, a lighting strike killed 504 sheep. The circle wanted a moon landing question but **Tampax** told them all to get fucked and moved on to Wanker of the Week.

WOW:

Sheep Thrills, the incumbent wanker was brought to the front and produced from a plastic bag, the wanker shirt. He claimed it had shit on it from **Coop's** arse from last week and was unhygienic for even **Arseholio** to wear. After the Hamersley forensic team went over the shirt, it was deemed that the skid mark was in fact chocolate. **Kazi** was brought out for numerous transgressions but the one most remembered was how he tried to fool **Mullet** into giving him a beer for a boog egg card. His defence was he was trying to save money for the loss on his rego sale. **Mother** was trotted out because he had advised the GM that the club owed him a 40 year hat. After extensive investigation by the Hamersley executive committee, the Historian and the GM together with overwhelming empirical evidence in the Hamersley Annuals, it was found the **Mother** is a year early in his expectations. The vote went to **Mother** who put on a better show of indignation to the wanker shirt than **RADS**, so much so he got the dummy spit award too! Refusing to put on the shirt, the circle allowed him to take his wanker down down on ice.

H4 Honours: Tonight we Congratulate:

Mudguard for completing 1100 runs, we gave him a down down and he got his badge, he shouted everyone a drink. Top Bloke!

Run Report:

Boof reckoned it was an excellent run. Well marked, it kept the pack together. The hot pizza on a cold night is mint. He gave it 9.8 out of 10.

Ice:

Mother for not wearing the wanker shirt and chucking one of the most awesome dummy spits ever.
