## Bravefart @ Backup Run Hawker Park

### Preamble:

37 men of Hamersley gathered offering condolences to **Sir Kumsize** for the passing of his mum. The GM and RA got the pack to quiet down and listen to **Bravefart's** explanation of the run which everybody got that it was marked in chalk.

### The Run:

Heading south down Kirkcolm Wy turning right at Millport Dr to a false trail. Hiking back up Millport and getting caught at another right turn false. Doubling back up Springvale drive to turn left at Dorchester Ave, and about turn at Palms Bed & Breakfast then right up Ballantine Rd. A long haul up to turn left at Taft Rd and across the park to Carr Cr. A stop to the left at the Marbles abode for a well meaning visit in song. Heading south to loop around at Fortune St and back along Dorchester. Turning right at Hillwood Ave continuing north and left through a laneway to Warwick Rd. Now heading west and switching left and right through some streets to cross the freeway then after a false trail heading southwards down a multiuse path to come out at Scaddan st to be confused by another false trail. Winding south through the streets to cross the freeway via the Warwick train station bridge through the car park skiting around Hawker Park Primary School to On Home.

### Circle Up & Visitors/Returniks:

**D.A.G.S., Mase, Dikvan, Mon Stir, C Man** and **Wimpy** were our returniks with **Shrek** out visitor. They all got a down down and told to fuck off.

### General Business:

**Sir Kumsize** had some lost property given to him by a non-descript Perth Harriet, she claimed it was **Popeye's**. **Popeye** claimed the shirt and took the charge. **Bravefart** decided to do Donka's Intercourse bit and said there was an Interhash and rebel thing happening next year. **Tagg** advertises the next lunch at the Corner Cafe in Perth, Google has the address as: 546 Hay St, Perth. There was a minute's silence for **Sir Kumsize's** mum.

### Charges:

**Bravefart** on **Kazi** for putting nibbles out too early, the runners got fuck all! **Mon Stir** on **Halfway** for bringing **Kazi** to the club and not schooling him right, a dereliction of duty.

### ARSE Report:

The fat cunt gets back on the crate after a week off due to sickness. "Has your cock stopped dripping ya cunt?" some prick calls out. Anyway after abusing the throttlers he calls out **Replicar** as the word of the week clue. The cunt has a trump and gets **Tampax** to take his spot on the block. "*Obverse*" is the word. None of these dumb cunts gets it, even after a few hints from the cunt on the crate. The On Sec finally gets close but after the 2 midgets, **ELF** and **Voodoo** start whining he handballs the boong egg to **ELF**. The word means the complete opposite. This day in history, some cuntz got married in 81. The dopey prick, **Barrelina** the crippled cunt gets it first. He says it was when Chucky married Di, that was back in the days before she became a goat substitute for the arabs. **Tampax** called back out and thanked for taking the crate for **Gasman** last week. "Boong egg for you ya bald headed cunt." The RA intoned. "Did he put shit on me?" **Gassy** asked. No cunt dobs him in so the prick gets to fuck off scot free. Random spinners: The midget that missed out on the word, **Voodoo** gets a spin. To the boy's amusement, he gets spinner on ice. "Have a seat ya cloggy cunt." The RA was back in his element, our big wog cunt mate **C Man** gets a spin for coming home (or is it for fucking off again so quick), he spins a down down. Brother **Mase** comes out next and wins a trump card. "Hold onto that ya cunt," Storm Boy says, "You'll need it ya prick."

### WOW:

**Mother** comes out as incumbent. Craps on how **Sheep Thrills** never wore it last week and **Tampax** let him off the hook. He nominates baldy. "Fucking idiot!" **Gasman** says, "**Deegs** must be the brains of the car pool." **Mother** is not wearing the shirt on skin and no dummy spit award either. **Kazi** got nominated by the On Sec for getting his mate **Halfway** in trouble. **C Man** for living the high life, breezing in and swanning of for two more weeks a couple more fuckwits found their way up as nominations. With a bit of coaxing from the A.R.S.E., the boys vote **Mother** and gets the chance to wear the shirt on his skin for another week.

### Run Report:

**Tropo** said the run was another example of brave hashmen coming forward to set a good run. Lots of loops and roundabouts, he gave it 9.5 out of 10

### Ice:

**Tampax** got trumped by **Replicar** and **Voodoo** got to sit as well.

### Next Week's Run:

Next week's run will be set by **ELF**, the venue will be at **Sir Kumsize's** place as the wake for his mum will be still going.

### Next week's van driver:

**Replicar**

### Hares Act:

**Bravefart**, **Coops**, **Boof** and **C Man** sang a song questioning our GM's physique but it turned out to be a **Disgraceful** song.

### Song:

**C Man** lead us in **Australias Hash**

#### **H4 Hashhouse:**

The Committee sprung for some top quality snags in a bun topped off with **Coop's** world famous relish.

#### **ON ON Sir Kumsize**

### **Mel Adjusted / Sir Kumsize 37/52**

#### **Note:**

Duties of the Hare, extracted from "Guide to Hares"

*"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."*

*"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."*
