## ELF @ Sir Kumsize's Place, Nollamara

### Preamble:

With the On Sec somewhat compromised owing to his mum's funeral, this week's rag is brought to you by the On Sec's ability to put the rag together the day after, **Tagg's** note taking and the RA's version of events. Beer was had by all, the weather was rain free and the ambience was festive. Two Harriettes turned up **Kabab** and **Small Goods** and briefly said hello to the blokes then disappeared indoors to keep **Sir Kumsize's** bride **DJ** company.

### The Run:

Using up to the minute intel from **Bravefart**, the trail started eastwards along Milford Wy. A laneway to the right brought the pack out to Morley Dr, at Woodchester Reserve the run went north up Hillsborough Dr and right at Woodchester Rd. Heading up Maroog Wy past the kiddie playground the trail headed toward Nollamara shops by Narla and Myindee Wy. Right past the RSL then looped around Des Penman Reserve to the homeward leg on Hillsborough Dr. Going west along Silvia St through Marion Stainton Park right on Noongah Pl and St to emerge on Wanneroo Rd via Nollamara Av. Left at Tuart Hill Exchange to turn right at Nollamara Primary School. Another left onto Harrison St had the On Home within sight as the runners made their final dash down Constance St.

### Circle Up & Visitors/Returniks:

Two of **Sir Kumsize's** mates, have their own nick names, they were introduced to the circle as "Blowie" and "Bellend". **Arseholio**, **Scraper**, and **Hardcase** welcomed back as returniks.

### General Business:

In memorandum: Today we had two Hashmen say goodbye to a parent, **Cookie**, his father, Kingsford Ross Heylen, who attended two H4 runs in the last 20 years, his service held in Adelaide and **Sir Kumsize**, his mother Fay Tannock, the service at Pinnaroo. On behalf of all the blokes at H4, our condolences to you both. **Sir Kumsize** brought out a shot each of Drambuie for the boys, he told the lads it was his mum's favourite tippie and toasted to past parents, this was followed by a minute's silence for Fay and Kingsford. **Captain Hook** is brought out for a sports report, he said that Fremantle won, some of us wanting to know was it football, cricket or darts that Fremantle won? **Bravefart** had a safety announcement for the On Sec to stand feet shoulder width apart.

### Charges:

**Bravefart** on the hares **ELF** and **Kazi** for pretending to set a run evident on the lack of arrows. Apparently there were other charges but **Tagg** didn't write them down and the RA and Onsec could not remember.

### ARSE Report:

The RA gets back on his crate once again, and once again it holds the fat cunts weight. All the throttlers shut up, must to be too cold on the ice for the cunts tonight. Seeing **Mudguard** has fucked off, **Bravefart** is bought out as the word of the week: "pilgarlic", no it ain't something wog sheilas do whoever the fuckwit is that said that. **Gasman** gives it away when he says **Mudguard** or **Bravefart** are both excellent examples. **Tampax** says it's a bald headed cunt, and is correct but told to fuck off as he is part of that club. **Spud** gets it as well, and gets a boong egg. He also gets a seat on the ice for also being a sneaky bald headed cunt.

On this day some cunt was born in 1930. What he was famous for happened 50 years ago last month. With a few dumb replies most you cunts guessed Armstrong, **Disgraceful** shouts loudest and gets a boong egg. Random spinners are **Sir Kumsize** who gets GM choice. He picks **Mullet** who trumps to **Arseholio** That's fucked the ice. His mate the fat cunt, Blowie spins next. Spins spin again twice, then gets hare's choice. **Kazi** takes the credit, the GM tells him to fuck off and lets **ELF** pick. He picks **Scraper** on ice. **Sir Kumsize's** other mate, Bellend spins a trump card.

**Coops** is now called out for a birthday cake. Like all elephants **Gasman** has a long memory and remembers the lamginton incident in January. "Come out cunt and have a seat" he says. "Your missus told me you like coffee cake so here ya go ya cunt". A couple eggs, some coconut flour, boong egg and some maccas coffee all go in the mix. "Hope ya enjoyed it ya cunt". The RA inquired and let him go to wash off.

### WOW:

That cunt **Mother** never bought our mate **Deegan** tonight so we need a new wanker. **Kazi** nominates **ELF** for losing his glasses for 2 hrs while setting the run, not realising they're on his scone. The RA nominates **Kazi** for being a cunt of a mate and not telling him. **Kazi** slips the RA a boong egg and is let off with a caution. **Gasman** hits the jackpot when he nominates a maggoted **Sir Kumsize** for begging him to make a cake for **Coops**. He chucks **the RA** about a carton of eggs and nonchalantly wanders off. Just like paying off a Thai copper.

**Bravefart** nominates **Mr. Potatohead** for not turning up at the funeral today for a free pen.

Voting is all about **Mr. Potatohead** and **ELF**. Votes are compared and **ELF** wins the shirt.

### Jokes:

**Elf** and **Kazi** told some jokes for their act.

### Run Report:

Arrows visible but sometimes behind, ten out of ten.

### Ice:

**Bravefart** as the word clue, **Spud** for being sneaky, **Arseholio** trumped by **Mullet**, **Scraper** a victim of the RA's wheel, **Coops** for his birthday.

### Next Week's Run:

**Panels**, Tomato Lake

### Next week's van driver:

**Replicar**
