19 Aug 19 Run 2128 Sheephtrills @ Beazly Reserve

Preamble: With the bus backed up to the oval all gathered around and started consuming their chosen beers. At about 17:23 the kindly Kiwi barkeep noticed the fridges were not on and the beer would soon be getting warm. No power points were found around the clubrooms forcing the trusty generator to come out. People were soon set off across the oval and onto the run.

Run:

Initial run comments are cunt of a run: **Kazi**, good run: **Spud**, and yes it was a run: **Bravefart**. But run report comes later.

Circle Up & Visitors/Returniks:

Pipes the Texan and Alex the brother in law of **Arseholeo**. Returniks were **C-man**, **Mullaway**, **Roo**, **Squirt** and **Dingo**. Down Down's all round.

General Business:

On to general busines **Mullaways** birthday was yesterday. All are invited back to his home in Como for more partying. No mention of free drinks or strippers resulted in no takers to the invitation. City to Park run is on this Sunday. **Mullet** will be driving the bus but volunteers still needed at City Beach for serving drinks and cooking sausages. **Donka** reminded people that there are 249 days before Interhash. 87 Days to Pan Asia in China. **C-Man** reminded hashers that our December sundowner Friday the 13th is \$65 and very good value at that. Please get your money in to him. He needs another vacation. And although it is hard to believe, **Cookie** made another silly comment and had to sit on ice.

Charges:

C-Man charges **Replicar** for scrimping on ice however **Repi** puts ice-crate on top of the curb and manages to reverse the charge. **Coops** then charges **Cookie** for some BGC vs Perth Airport; alas the airport did not win. (That's the way I think it went but please correct me if you know more information.) Not all went **Cookies** way however, **Ampol** hands back a BGC pen with its "lifetime" guarantee after it fails on its first day. Parking issues: **Mullaway** charges **Donka** and **Tagg** for reversing into a wire fence. **C-man** then charges **Rads** for hampering duck rescue efforts with most of the burger used to lure the ducklets to safety. **Rads** not accepting that charge reversing it back to **C-man**. **Cookie** then says another silly thing and ends up back on the ice.

ARSE Report: **Elf** is the fill-in RA and does not require as much emu shielding as **Gasman**. A Stanley knife is utilised for making the height modifications to the vest. Repair instructions are not believed to have been recorded leaving some to speculate what may happen when **Gasman** returns.

Pipes was called upon to give an update on what is likely to happen in the 2020 US elections. All that was offered is that the orange man will probably lose.

Now to wanker of the week, the standing wow is **Mr Potato Head** was not in attendance as he was flying to Pattaya the next day.

Cookie was awarded wanker of the week for kicking the ice off the crate and asking which day the sundowner was on. Born this day was Orville Write in 1871.

Word of the week was salacious to which nobody claimed the token.

H4 Honours: Tonight we Congratulate: none tonight

Jokes:

No Jokes Tonight

Run Report:

Popeye gave the run report giving 6.5/10 but upgrading to 8.5/10 on the expected quality of the gruel. Lack of arrows was main detractor for the score.

Ice:

Cookie x 2

Next Week's Run:

Barrons run at Horton park at end of Beechboro Road, Bayswater.

Next week's van driver: Scrotus Maximus

Hares Act:

Hares act was the reminder that it is humanitarians day and congralulations/thanks was given to **Arseholeo**, **Elf**, **Hardcase** and **Rads** for their services to underprivileged Asians.

Song:

Raise Your Hats brought to you by "Precious".
