REPORT RUN 2129 : 26/08/2019 BARON'S BLAZING AMAZING TROT

Preamble:

What a great new road system we have. Picked up the **SPUD**metre at 5.10 in Darch and we were at the venue by 5.25 in Bayswater. Brilliant! And look who's here! **GDC** has made a return, **BRAVEY'S** got the shits (literally), **BARRELINA'S** got e's new hip and **PRECIOUS** has survived the City to Surf. Fuckin wonderful. All is well with the world. Despite Donald Trump.

Run

Hare **Baron** gives the usual brief and we're off around the north end of Houghton park at a brisk pace. Out to

Beechboro Rd, **GDC** the young cunt (34) is showin off runnin at blistering pace, not in accordance with Hash etticut to hang back for ya slower old mates. A few well placed falsies kept 'im in check for a bit and **BRAVEY, POLEY, REPPY, COOKIE** and **TROPPO** managed to keep in touch. **COOPS, KAZI, DONKA, POPEYE** and the Dog catchin up behind. The rest have dissappeared up their own arses already. Loop around the Shalford St park here and after a short check head east into the local industrial bit. Thru the bushy bits at the other end and **REPPY** and Me take a little shortcut to catch the **GDC** agen. The boy is practisin for e's new job chasin crims. Windin thru the streets here, with the odd falsie, we's headin west in a homely direckshun. On Home found at the SE corner of Houghton park and we burn sum rubber off the Nikes runnin to the bucket. Shortish but quick run set by an old hand with a new knee. Well done **BARON**.

Circle:

Returnicks:

GDC and **DIKVAN**, with **VOODOO** on ice for tryin to rewrite a well known D.D. song.

Gen Busyness:

C-MAN reminds the troops re Black Friday 13/12 Oyster Bar Sundowner

DONKA with the usual shit; how many days to ? Who's goin?? Evry cunt.

BRAVEY Rugby World Cup tour in Japan. Koneachywa??

STIR re next week's run at Millington Res; 10 Kms??

WIMPY with Sports Report. Need we say any more. Eagles lost. Dockers lost. Aussies lost. Poms won. Eagles reserves won. Netball, Rugby, and the World Marbles Championship? Who cares??

KAZI with accolade for **PRECIOUS**. 3Hrs 20mins for CtoS. Came 3rd in the over 80s section.

Charges:

MULLET on **KAZI** and **PRESHUS** Post City to Surf didn't turn up to the brekky prepared for'em at The Park. Guilty. Slack cunts.

C-MAN on GM?? It was so pissweek the GM dismissed it. Shoulda been iced.

DONKA on **MULLET** re lack of "Duty of Care" to e's carpool passengers last week. Needs a revision driving test. Guilty

STIR on **VOODOO** Evry time e turns computer on has a message from Linked In for **Voodoo** lookin for new friends. Does that surprise anyone? Charge Dismissed. Not very hashy.

SCREWDRIVER on **COOKIE**. Again a Duty of Care lack thereof type charge. Somewhat hash unrelated but. Has been in the papers lately re freeway extensions and write off of Taxpayers money but no mention of H4.

COOKIE says he was wearing the Wanker shirt. Insufficient evidence to convict. Reversed.

GM on **SQUIRT** Another one who didn't get back to The Park when brekky was prepared for him and the bride. RATIONS rules. Guilty.

COOKIE on **MAU SEI** for his Hong Kong association and allowing it to go to the Commies. Related to Mau Zeedong??

WOW:

Stand-in RA, **ELF** takes the crate. Stand up **ELF!**

Word of the week "Insouciant" **POLEPOLISHER** nails it with a "carefree" attitude.

On This Day in 1910 who was born? **POLEY** again. Mother Theresa

Smart cunt gets the boong eggs.

And just for info, on this day in 1768 Capt. Cook set sail to discover that the great southern land was occupied. Must've invented Emu Export to buy entry!

Wheel of Fortune is spun a few times and we ended up with **WIMPY** and **KAZI** on ice and **DINGO** tryin to pin the tail on the Donkey.

Anyway Wanker of the Week awaits and nominations spew forth. Current WOW **COOKIE** gets 1st shot and nominates **POPEYE**. The story involves an attractive woman of about 40? who is obviously intrigued by a bunch of old farts runnin around the local streets doin what we do. **POPEYE** has the Dog which is a chick magnet. **COOPS** is also involved and defends with story about brain tumors. **POPEYE** is in the frame for disparaging remarks. Ya get it??

REPPY nominates **WIMPY** for repeatedly leaving e's little esky in the van.

KAZI nominates **MULLET** re the earlier charge. Apparantly e's erratic driving left e's passengers somewhat aggitated and thoroughly disturbed.

MULLET gets it on the voices. **WOW!!**

Aknowledgment: **MEL ADJUSTED**, **SQUIRT**, **DISGRACEFUL**, **MULLET**, **TAMPAX**, **TROPPO REPLICAR**, **SCREWDRIVER**. The GM acknowledges our attendance at "The Park" for the City to Surf hashers who didn't front.

Hares Act:

MASE and **COOKIE** slip in a cuppla jokes as the support actors. Then **BARON** tells a joke that we didn't quite get, but nails it with another about Cowboys and Muslims. Very funny. You had to be there!

Van Driver: Next Mundy to Millington Reserve is **SQUIRT**

Seeya there Your Scribe,

TROPPO
