## Mon Stir @ Millington Reserve Karrinyup

### Preamble:

In weather much like a Shetland Summer, 35 men of Hamersley plus our American ex-pat gathered on what was a damp night. The GM was running late, so **Sir Kumsize** mounts the crate and with **C Man's** help calls the mob to order with his usual favourite phrase. He hands over to **MauSie** who gives the details of **Mon Stir's** run.

### The Run:

With the pack being set off south then looping around east until it went into the bush tracks lazily meandering east south east emerging onto Jeanes Rd. Heading toward the old folks home but turning left at Prisk St, to swing by the Catholic Quarter after recovering from one of the many false trails to loop around Edmondson Klein Reserve. Going south on Clubb St to turn right at Jackson Av and get entangled in another falsie at Miles St. Travelling west on Jackson Av the hare gets them again at Grand Prom. The pack finds a walkway that leads them to Wheeler Rd where it is a false on Rockcliff Av, turning here and there finding more false trails they head south on Duke St from Rockcliff Av, through Deanmore Reserve to head north on Deanmore Rd to loop around Deanmore Primary School finding a few more false trails as they went. The trail then took the pack through the estate on a false trail hunt loosely following Newborough St and Elliot Rd to Bring them back to the bush tracks to the west. Once coming out of the bush at St Mary's Girls School it was on home south on Elliot Rd.

### Circle Up & Visitors/Returniks:

**Pipes**, called out as our ex-pat visitor from Houston got a down down and a song. **D.A.G.S.** and **Sir Kumsize** were welcomed back with down downs and a song as our returniks.

### General Business:

The GM thanked **RADS**, **Troppo** and **Tagg** for their note taking skills in the On Sec's absence.

**Donka** told us that it is 235 days to Interhash and breaking news that **Pipes** has offered free accommodation at the Houston stop over. Mandurah's 1800<sup>th</sup> run is on the 21<sup>st</sup> of March, 2020, the flyer will be sent with this Rag. **Pipes** advised that the free accommodation is off, and gets iced.

### Charges:

**Mon Stir** on **Wimpy** for bringing crayfish for nibbles making his fingers smell of cunt, which will get him in trouble with the missus when he gets home. **Screwdriver** on **RADS**, **Boof** and **Popeye** for not respecting H4 leadership by supporting the Crankers run, Both **Boof** and **Popeye** were at other hash related events but **RADS** claimed he was suffering a hangover, **RADS** takes the charge as he was obviously lying, Hamersley men don't get hangovers. **Kazi** tried to get **Popeye** for his seeing eye dog, **Griffin** shitting on the run, apparently it was off trail and in the bush not much of a charge but **Popeye** took a down down anyhow.

### ARSE Report:

**C Man** our stand in RA mounts the crate as ARSE and gets right into it. **Donka** has a go at our acting RA and Promptly finds himself on the cold seat. He starts with the word of the week: "*mukto*" from the curry munchers, the name means liberated or set free, no one got it. He had a few on this days, the ones most memorable are: 1874, Sydney's General Post Office is opened, no one got it. 1884, Britain ends its penal transportation to New South Wales, no one got that one either. 1905, New Zealand beats Australia 14-3 in cold, wet conditions in the first international Rugby Union match between the countries on New Zealand soil at Tahuna Park in Dunedin, **Boof** nearly got that one.

### WOW:

**Mullet** the incumbent and potential carry over wanker nominates **Donka** for buying drinks for his "Coffee Club" mates from **Repy's** bar and making **ELF** sick, which can expose Hamersley to a health and safety liability.

**Dingo** nominated **RADS** as a Hamersley man calling in sick with a hangover, **Wimpy** nominates **Squirt** for watching his bike being ridden by the bike thief down the street. **Coops on Screwdriver for bagging Hamersley men in not supporting H4 leadership, C Man added that Screwdriver failed in his leadership skills by being secretive about proposing to Buttless in Amsterdam, then holding her to secrecy from their Hash family when the poor girl just wanted to tell all her mates, what a wanker! She said yes by the way.**

**C Man** instigated the RA powers vested in him and awarded the prestigious shirt to **Screwdriver** for bullying his future bride (unbecoming leader behaviour), and being a secretive tight cunt in not telling us the good news and putting the piss on for the boys.

### Jokes:

**Kazi** told as a Joke about **Screwdriver** getting advice from **RADS** on the wedding night. A filthy joke about someone shitting in a box, bloody disgusting, you had to be there.

### Run Report:

**Boof** reckoned is was an excellent run, his only advice to the hare was not to cater to the walkers, lovely engineered markings typical of the high quality pattern maker **Mon Stir** is, he gave the run ten out of ten.

### Ice:

**Donka** for disrespect of the acting RA, **Pipes** for taking back the offer of free accommodation, **Wimpy** for whingeing about footy, **Troppo** for casting dispersions and **Dikvan** for casting more dispersions.

### Next Week's Run:
