## Mother @ Leeming Rec Centre

### Preamble:

On a nice spring night, 37 men of Hamersley gathered round the van admiring the “very safe” play ground purpose built for toddler fatalities. The GM called the mob to order then got **Mother** to tell us about the run, and then he had as fuck off across the oval.

### The Run:

Across the oval and then south down Findlay Rd then a right turn at Coles along Farrington Rd. It was then left up Aulberry through Robert Weir Park and back down on Aulberry straight into a false trail. The trail was picked up on Earnshaw Lp then heading north looping around the residential estate with false trails and a few more loops thrown in. At Dudley Hartree Park the trail went south, past Leeming Senior High School and back through Robert Weir Park to On Home.

### Circle Up & Visitors/Returniks:

**Gunny, 2 Dogs** and **Biggles** were our returniks, they were given the usual down down and a song.

### General Business:

**Screwdriver** mentioned the South of Perth H3 man hugging run on the 26<sup>th</sup> of September that is a Thursday \$10.00 will get you some food and a beer. **Cookie** wanted us all to know next week will be the best run of the year, the theme being “Bogans are **Best**”. **Donka** told us it is 227 days to Interhash, he doesn’t give a fuck about other hash events tonight. **Baron** gave a “safe sex” manual to **Screwdriver** in preparation of his upcumming nuptials.

### Charges:

**2 Dogs** on **Cookie** for crowing about being number 1 but in the latest top 50 most influential Australians, he didn't rate a mention, **Cookie** said he was rated 51 and took the charge. **Tagg** on **ELF** for alluding to be this week's stand-in RA, given a down down and Hamersley's number three song when **ELF** failed in his attempt to say it wasn't RA gear but a hash kilt he was wearing. Half a dozen non descript Hamersley blokes dragged up and charged by the On Sec and GM for not removing their hats during Hamersley song number 3, silly cunts should have known better. **C Man** on **Wimpy** for not telling us during general business what happened to his best mate **Captain Hook**, **Wimpy** told us he got vertigo, fell over and fucked up his good hand so he won't be at hash or able to wank for a fortnight, then took his down down and fucked off back in to the circle. GM on **Voodoo** for getting lost (that is **Tagg's** thing), going the wrong way through the car park endangering civvies before finally sighting the van, no excuse from the little cloggy cunt was good enough for the boss so he took his down down too.

### ARSE Report:

**Tagg** assumes the mantle of the RA and mounts the crate, from notes prepared by **ELF** and prompting from the On Sec, **Tagg** managed to tell us the word of the week "*inveigh*" which means to speak or write with strong hostility, no one got it. The on the day session was confusing but the gist of it was: 1754 – William Bligh, an English Admiral and politician became the 4<sup>th</sup> governor of New South Wales. 1890 - Colonel Sanders, the American businessman that founded KFC was born, he died in 1980. 1947 – The first case of a computer bug being found: A moth lodges in the relay of a Harvard Mark 2 computer at Harvard University.

### WOW:

**Screwdriver** is brought out as our incumbent and potential carry-over wanker. He nominates **C Man** for railroading **Screwdriver's** surprise for the boys last week and put a bunch of drink tokens over the bar. The On Sec nominated **Voodoo** for attacking **Precious's** beloved poster of **JK** causing it to fall on the ground, more shit is added on **Voodoo** for being a hazard in a public place. **Bravefart** nominated **2 Dogs** for being a noisy cunt during circle. By popular vote and **Tagg's** decree, **2 Dogs** is awarded the coveted shirt.

### Run Report:

**Troppo** said we went over there and over there and back here and over there, good run, he gave it 9.9 out of 10.

### Ice:

**Cookie** for singing his own down down song, **2 Dogs** for having a go at the GM.

### Next Week's Run:

**Cookie** at Bardon Park, Maylands

### Next week's van driver:

**Sheepthrills**

### Song:

**2 Dogs** led us in Raise you Mugs.

### H4 Hashhouse:

Pizza

### ON ON Sir Kumsize

[\*Mel Adjusted / Sir Kumsize 42/52\*](#)

**Note:**

Duties of the Hare, extracted from "Guide to Hares"

*"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."*

*"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."*
