Cookie @ Bardon Park Maylands

Preamble:

46 men of Hamersley plus one visitor from the top end gathered in the car park watching cyclists cruise along the river bank track. **Gasman** has returned and called the mob to order in his usual form. **Cookie** squawked about how this was going to be the best run of the year then set us off west.

The Run:

The trail started well with a false, then it was back up on to Fourth Av and another false trail. Going up Conroy St and turning left at Central Av and right at Guildford Rd, there were quite a few false trails at this end of the trail so I will just mention the main route. It was over Guildford Rd and left on Whatley Cr just after the WA Ballet. After the Sherbet and Cake Shop it was a right turn down the lane and a little dog leg left onto George St with a long false left on Rowland St, doubling back, continuing of Guildford Rd on Falkirk Av then dribbling to the right on Mount Prospect Cr, turning left at Kathleen Av and up Joseph St to do a U turn at Golden Island Wines. Turning left and thundering down Peninsula Rd for a while until falling foul of a false trail and coming back to pick up trail on Swan Bank Rd. Getting very loopy with a few more false trails around Lake Bungana, skirting the west side of Lake Brearley and loop around the south end of Maylands Police Complex. It was then north on the east side of the golf course until a left on Mary St and onto the riverbank pathway past Maylands Jetty and some very loopy shit before heading On Home.

Circle Up & Visitors/Returniks:

Happy Hooker from Humpty Doo was our visitor was brought out for a song and a down down. **Patch**, **Swallow**, **Mullaway**, **Pumpkin**, **Sheepthrills**, **Concorde**, **Spud** and **Gasman** were welcomed back to the fold.

General Business:

The On Sec advised that Perth Harriettes are having the Salvo's Run Tuesday 26th Nov, 7 pm start, a flyer will be forthcoming. **Screwdriver** repeated his news about the SOPH3 man hugging beer and meal night on the 14th of October, will cost you \$10.00. **Donka** told us it is 221 days to Interhash and 60 days to Pan Asia, the Close to your hear run is on the 1st of October. **Boof** added his endorsement of the Close to your heart this year as the proceeds go to Down Syndrome WA, let's get behind it lads! **Spud** mentioned the Friday 13th "Black Tie" cocktail party at the Oyster Bar Elisabeth Quay, will be a top night. **Swallow** wanted us to be aware of our mates that suffer depression, look out for them, you could be saving their lives, you don't have to wait for the one day a year to ask if your mate is OK, any day and more than once is fine.

Charges:

Because of the Bogan Run, our 'onerey mullets, **Mullet** and **Gunny** who was sporting the smelliest mullet ever seen were given a song and a down down. The GM on **Troppo** for not sharing his experience with a supermodel celebrity and not advertising Hamersley Hash. **Coops** on **2 Dogs** for impersonating **Furburger**. The GM on the On Sec for leaving his bowl and the very important flyers at Friday Hash, **Sir Kumsize** was obviously in a state of euphoric confusion on being reunited with his drinking buddy **Concorde**. **Concorde** on **Cookie** for shonky building practices, the charge was reversed. **Boof** on **Bravefart** for giving our guest the "run around" on the run.

ARSE Report:

Gasman returns as the rightful RA "Righto youse cunts shut ya gobs the fat cunts back on the crate and looking for ice victims". He reckons you pricks have had it easy for too long so look out cunts! The RA starts with the word of the week, which is "*Iconoclast*", **ELF** is called out as a clue and told to park his arse. He tries a trump but the RA tells him it looks wrong and throws it to the shithouse. Anyway, none of the cunts really get it, but **Wimpy** guesses something about a vandal and earns a boong egg and a trump card. It means "a destroyer of images used in religious worship" or "one who attacks cherished beliefs or idols of worship" that's right **ELF** is a little pygmy vandal cunt and told to stay on the ice a while. **Concorde** is called out for being a lying cunt. He told the A.R.S.E. he was popping off to get a carton of eggs, back in 10 mins, fucking 6 months later he comes back from a drunken lap of the cuntree. God help the bastards. He uses his platinum trump on **C Man** who probably deserved it. On this day no one got, even with clues, 1620 pilgrims set sail on the Mayflower from Plymouth and 1908 GM was founded by Bill "Crappo" Durant. As told by the RA "Holdens were heaps of shit". RA orders a boong egg only to be told there fucking finished, all that is left is that green death shit VB. He charges **Concorde** again for drinking all his piss. **Concorde** pulls the trump again and asks for **Replicar** to sit on ice, RA whispers "ya stupid cunt, don't ice the splash fuckwit, we'll get hot scrambled eggs next week", so he goes for the Blonde throttler **Cookie**. The spinners were that **Happy Hooker** cunt from Darwin, spins hares choice. Mr. Ed ices his co hare **Boof**. **Rooted** spun the same again and GM reckons co hares choice this time so **Boof** ices **Cookie**. **Wimpy** spins a trump, fuck me, there were 14 L.V.D.C.'s "little vandal dwarf cunt" on the board and the cunts couldn't spin one. The RA tried once again and the pygmy gets off, lucky little cunt.

WOW:

2 Dogs is carryover, the RA ices the dwarf and lets **2 Dogs** nominate **Gunny** for his smelly mullet costume. **Gasman** seconds that, took him 7 years to get rid of his fucking rag, smelt **Gunny** and thought the bitch was back with no knickers on. **Wimpy** bought up for sooking about no Black Friday lunch, poor **Tagg** stayed away after all the online abuse. "Ya wanna sook ya cunts help sort one out and leave our Taswegian cunt alone", the RA intoned. **Kazi** is nominated and why not? Back to the dwarf, **ELF**, the little vandalising cunt cut the RA's boong egg suit in half whilst impersonating him. **Gasman** almost took a ladyboy home by mistake when he saw the photos whilst in Pattaya he was in so much shock. Then the little vandal cunt put it back together half arsed and replaced most of the boong eggs with that vile green shit hoping the fat cunt wouldn't notice the difference, fucking idiot. At Hamersley, all our voting is fair and impartial and Percy had to give the shirt to **ELF** by popular demand and no coercion of the voting process.

H4 Honours: Tonight we Congratulate:

Gunny gets an accolade for making the On Sec smell like a cunt. **Gasman** achieves 200 runs, **Patch** receives his 20 year hat and **Ampol** receives his 30 year hat.

Run Report:

Happy Hooker gave it 12.5 out of 10 as the best run he has been on, this pleased **Cookie** no end, but, he had to take 2 demerit points for **Bravefart's** extra bits on trail and a further 2 for a cunt smelling **Gunny**, making the final score 8.5 out of 10.

Ice:

Scrotus for pissing of the GM, **Cookie** got trumped by **Concorde**, **C Man** got trumped by **Concorde**, **Boof** as the hare's choice on ice and **Cookie** as the co-hare's choice on ice, first **Wimpy** did a sports report from the ice but it was just the cunt having his usual bitch about the Eagles then **Kazi** took over from our sports caster on the ice, just because the RA can.
