## Mullet @ Gwelup Scout Hall

### Preamble:

A lovely balmy spring night where 36 men of Hamersley arrived with about 20 around the Cash getting their pre-regos to the Close to your Heart Run and raffle tickets. The GM called the mob to order and invited **Mullet** to talk about his run, he told us it may be a longer run than usual and that the hot dogs will be excellent.

### The Run:

Heading off southwest down Stoneman St then into a false left at Panton Cr, doubling back discovering false trails left and right until discovering a lane at the end of the street. Turning right into Paine Ct St, with a false trail right onto Hicks St coming back and heading north on Paine Ct. False trails abound with a right at Dean St, a false north and doubling back and around Charles St into the bush. Another false trail north of the Rainbow Bee Eaters sign but course corrected through the Grass Tress section onto Wanstead St then turning right onto Porter St. Across the park crossing North Beach Rd to loop around the Lake Karrynup housing estate and getting caught with a false trail along Erindale Rd. Crossing Erindale Rd and heading south hitting more false trails and discovering a lane leading west to North Beach Rd. Crossing North Beach Rd, skirting the south end of Lake Gwelup and across Lake Gwelup Reserve to On Home.

### Circle Up & Visitors/Returniks:

Scraper, Nice Tits and XYZ were our returnicks, they were welcomed and fucked off in the usual manner.

### General Business:

**C Man** started with the raffle, for some inexplicable reason the first ticket dawn was void, (think it might have been **C Man's** and he threw it back as a prize for next week), making the first prize void. The second prize was won by **Donka**, it was a pair of wood carved Indian Elephant lamps, he sold them to **Bravefart** for a drink token. **Boof** reminded us of the the Close to your Heart Run on Tuesday, it is going to be the best interclub run of this year. **Donka** told us it is 214 days to Inter Hash, 220 days to the Rebel Tour, 53 days to Pan Asia and the Harriettes have the Salvos Run coming up. **Screwdriver** reminds us of the SOPH3 Invitational Run on the Thursday 26<sup>th</sup> of September at Mamion Reserve, Myaree, 6:15 start. GM told us that **Tagg** had a Kazi type turn and is still in hospital.

### Charges:

**Cookie** on **C Man** for systematic rorting, not quite proven both took a down down. The On Sec charged **Mac The Mouth** for his vest inside out in the circle, he further charged **Boof** his mate for not looking after **Mac The Mouth**. **Bravefart** on **MauSei** on trying to be a New Zealand patriot with a pommie flag on his pants, **MauSei** dropped his tweeds to show off his kiwi underwear, still got a down down.

### ARSE Report:

**Screwdriver** mounts the crate as our guest RA and brings out **Donka** and **Kazi** for ragging shit out of tonight's nibbles. **Kazi** couldn't help himself and spat it at the acting RA and was promptly ordered to take the cold seat. On this day in 2014, a "Genius" who couldn't see fell off his perch, **Disgraceful** got it with Ray Charles. The word was changed to the phrase of the week, "*point of contraflexure*" **Replicar** was the closest saying the lowest part of a suspended chain. It means the point where the bending moment in the curve reverses.

### WOW:

**ELF** is brought forward as our incumbent and possible carry over wanker. **ELF** nominates **XYZ** for passing the wanker shirt on aimlessly while on tour, **XYZ's** defence was that may have happened but before coming back off tour, he got the shirt back again. **Mac The Mouth's** inside-out caper earned him a nomination. **Mullaway** was nominated because his missus nearly ran over a few Hamersley men on the run tonight, (apparently she is an Uber Eats driver). After much mumbling in the circle the unanimous vote for wanker this week was **XYZ**.

### Run Report:

**Kazi** reckoned it was well marked with lots of false trails, he gave it 8.5 out of 10.

### Ice:

**Kazi** for bitching about the Acting RA, **Bravefart** for his interjections.

### Next Week's Run:

Close to your Heart Run Tues 1 Oct

### Next week's van driver:

Tampax

### Hares Act:

**Mullet** did a "sight gag" on his breathalyser after giving a chook a head job.

### Song:

**XYZ** and **Nice Tits** led us in Raise your Mugs.

### H4 Hashhouse:

Hot dogs

### ON ON Sir Kumsize

[Mel Adjusted / Sir Kumsize 45/52](#)

**Note:**

Duties of the Hare, extracted from "Guide to Hares"

*"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."*

*"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."*
