## Close To Your Heart Run @ Swan Rowing Club

### Preamble:

Fucken 'ell! Heaps of Hamersley blokes came to help set up. It was done in record time, fuck we make things happen! We kicked the run off a little late as **C Man** processed the late stragglers with their regos. The GM got up in front of 149 registered hashers, welcomed the crowd and read the riot act, (to which it was noticed, them pricks from Perth Hash completely ignored)! The GM then handed over to **Boof** and **Gemma** to speak a bit on our charity being Downs Syndrome WA and set the runners, and walkers off.

### The Run:

Up and around the Raffles Hotel, then off through southwards from Applecross through the suburb of Mount Pleasant with false trails abound. Emerging at the riverside from Queens Rd. From there, it was a leisurely jog along the river, past the Dome Cafe at Deep Water Point, continuing along a very scenic part back to the rowing club. Food was served straight after the last of our runners, and walkers made it back.

### Circle Up & GM's:

The GM together with **D.A.G.S.** our stand-in RA got the mob's attention, the GM got **Screwdriver** up to give a brief history of the Close To Your Heart Run, this was followed by the winning application of host hares for CTYH 2020 from Perth Hash, which **Haggis** and his team presented, naming their charity as Lifeline. The GM got back on the crate and got all the other less important GM's, and representatives out for a down down and a song. Once they all shuffled back the GM got out the virgins, there was quite a few and they got the usual song and down down.

### **General Business:**

General business was dedicated to the raffle draw, which seemed to have an endless supply of prizes. After the draw **Boof** and **Gemma** retired for a well earned rest and refreshment.

### **Charges:**

Our stand-in RA mounted the crate and got charges off to a start. **Precious** was charged for loosing half his glasses, when taking his down down, he was heard to utter "I wondered why the harriettes only looked half a scary as usual". **Buttless** and **Screwdriver** brought out for getting engaged, (we have had good mileage out of that one). **Headlights** thought it would be good to charge **C Man** for plastic food containers, maybe she should bring her own bowl next time. Various Hairy-ettes tried with various degrees of success tried to charge Hamersley men with pissweak excuses for charges, then **Mullaway** on **Tagg** for doing a **Kazi** and not looking after the boys as any good Munch Master would.

### **H4 Ice For A Price:**

Not as successful as our last one. Maybe we fed them too soon, maybe all were enjoying the quality piss, maybe the rest of the hash decided to give us the night off. **Sir Kumsiz** was the only recipient on the ice with **Blowjob** parting the \$20.00 to give the poor prick a cold seat.

### **Jokes:**

**Meatman** entertained the crowd with some of his best "true stories"

### **Run Report:**

**Cookie** give a candid run report before circle, he said it was well marked and good use of falsies.

### **Ice:**

**Morphine** was unlucky to have a seat and **Sir Kumsiz** took one for the team when **Blowjob** paid his \$20.00.

### **Breaking News!**

Tagg, back from the nearly dead, has advised that the next lunch will be at: the Good Fortune Roast Duck House, 354 William Street, Northbridge.

### **Next Week's Run:**

**Scraper**, Hocking primary school car park. Directions - Nth on Wanneroo Rd, right into Kirkstall drive, left into Chatsworth Drive, left into Nicholas Rd, LFV in car park. Food - yes.

### **Next week's van driver:**

**Troppo**

### **Songs:**

As it was a thinning crowd we sung our Raise Your Glasses song.

### **H4 Hashhouse:**

An assortment of curries were on offer, all very good.

### **ON ON Sir Kumsiz**

**Mel Adjusted / Sir Kumsiz 46/52**

**Note:**

Duties of the Hare, extracted from "Guide to Hares"

*"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."*

*"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."*
