## Scraper @ Hocking Primary School

### Preamble:

I think it was I bit perverse that 35 men of Hamersley and one visitor were hanging about in a primary school parking lot. The GM got up on the crate and dragged **Scraper** up to talk about his run. He then got the mob to piss off in a southerly direction.

### The Run:

My run spy was unavailable but the drink stop was at Yellagonga Regional Park.

### Circle Up & Visitors/Returniks:

The Gm brought out our visitor first, it was **Helmut** a Cranker mate of **Concorde** and **Swallow's**. Our returniks were: **RADS, Squirt, Swallow, Gasman, Halfway** and **Pole Polisher**.

### General Business:

On Sec advised for Committee members get you reports in.

Perth Hash will be celebrating their 50th Anniversary Saturday 15th February 2020, from 3pm. Pickering Brook Sports Club, 35 Weston Rd, Pickering Brook.

GM reported on Close to your Heart Run: we had 157 registered hashers, who helped us raise \$2800.00 for Downs Syndrome WA. He thanked all Hamersley men who made the event possible, he gave a shout out to **C Man** and **Screwdriver** for their efforts in making CTYH a success. **Swallow** wants all Cranker minded Hamersley men to help him with his bike run, get on the Crankers facebook and vote for the run route. **Cookie** was worried about **Scraper's** choice of run site and wondered why Perth Hash was close by.

### Charges:

Bit light on with charges but anyhow that is how it goes sometimes. **Barrelina** on **XYZ** on not being able to park with the skill of a Hamersley man. **Screwdriver** also on **XYZ**, (poor bastard), on losing his GM's mug and avoiding **Screwdriver** at every turn to return it.

### ARSE Report:

Our RA started straight up with the word of the week and put **RADS** on ice as the clue, "flahoolic". He told us to think backwards. None of you dumb cunts got it, it means free with money, being of a generous nature or an exuberant spender. **RADS** thought it fitted quite well, as long as we are talking about a buck fifty. **Voodoo** reckoned after the AUD has been hammered \$1.20 is the new benchmark.

**Barrelina** started being a gobby cunt, so he got a seat, he pulled out a trump card and got **Cookie** on there instead. The fat cunts eyes lit up, because he knew cunts like **Cookie** don't sit on ice, they bribe their way off with an icy cold boong egg. Thanks **MR. ED**. On this day in 1985 a terrorist attack occurred, a bunch of ragheads attacked a bunch of dagos out on their boat. That's right **Sir Kumsize**, the PLF attacked the Achille Lauro. "I bet you had a chuckle when the cripples got tipped off the side of it too ya sick cunt" the RA reckoned. Random spinners up, "You may as well start you long haired cunt On Sec sir. **Sik K** spun up bus driver's choice, and as **Troppo** is running out of mates he thought he better not piss any more off, he sat himself the fucking idiot. **Screwdriver** spun **Cookie's** choice and he thought **Troppo** looked comfortable. **Cookie** spun a trump card (that's 1 less boong egg the ARSE will get) and **Mullaway** spun a boong egg.

### Wanker of the Week:

Two incumbents, **Mr. Potatohead** and **XYZ**. **Potatohead** was brain dead and **XYZ** nominated **Mase** for over wanking and getting carpal tunnel in both wrists. The ON Sec nominated **Mullet** for making the work load on his Annual helper worse by submitting his details after the deadline. The RA nominated **Dikvan** for complete disrespect of the RA. Rather than stop and give him a lift for the 2km walk from the bus stop, the cunt beeped his horn, waved and yelled "keep walking ya fat cunt, ya need the exercise" The GM said he doesn't ice visitors but the RA doesn't give a fuck. He bought **Helmut** the kraut sounding cunt out for a seat for no hash gear. "This'll make ya remember ya dumb cunt" the RA said. "Who got ya to come here?" was asked. Fucking **Concorde** owned up. So he took his place, but **Concorde** pulled out a platinum trump and got our old mate the Blonde Haired Throttler to take a seat. **Sheep Thrills** was bought out for losing his 20 year hat.... AGAIN! It was handed gleefully in to the RA before the circle by some long haired cunt whose name won't be mentioned. Voting started, **Dikvan** got a walk because he keeps the RA's boong eggs cold. **XYZ** was popular for carryover, but **Sheep Thrills** seemed to be the man. RA asked the boys to vote again on **Sheep Thrills** and it was confirmed, Fuck me, He's copped the shirt a bit, **Sheep Thrills** could be in contention for Wanker of the year!

### Jokes:

**Barrelina**, **Cookie** and **Mase** had an almost Eurovision section of joke telling, you missed out if you weren't there.

### Run Report:

**Replicar** said it was a fuck'in good run, drinks stop was good nibbles were fantastic, he initially gave it 9.5 out of 10 he later revised it to 9.8, it could have be 10 but he told me the potato in the bake was "not just right".

### Ice:

**Screwdriver** for not shutting up, **Helmut** in an unprecedented RA accusation of no hash gear, when the RA found out that **Concorde** was responsible for **Helmut's** ignorance, he took his spot, unfortunately **Concorde** has his platinum trump card and put **Cookie** on the ice instead. **Cookie** bought himself of the ice and all was nearly over until **Berelina** became chatty and the RA brought him out for t he cold seat, the pommie bastard then trumped **Popeye**.

### Next Week's Run:

**XYZ**, Western Australia Water Ski Association boat ramp car park, Bayswater, it will be an Oktoberfest.

### Next week's van driver:

**Voodoo**

### Song:

**Mr. Potatohead** led us in Australia's Hash

**H4 Hashhouse:**

Great nibbles, potato bake and chicken.

**ON ON Sir Kumsize**

**Mel Adjusted / Sir Kumsize 47/52**

**Note:**

Duties of the Hare, extracted from "Guide to Hares"

*"The hares are to assist with setting up the equipment: barbeque, tables, crates, generator, lighting, flags etc, under the direction of the Hash Splash."*

*"The hares are responsible in the cleaning up of the site. The hares must also make sure that the barbeque, tables and any other equipment used on the night is cleaned up and packed back into the Van before they leave the site."*
