[XYZ @ WA Waterski Boat Ramp Bayswater](#)

Preamble:

The van driver, **Voodoo** followed the hare **XYZ** to the run site. The question was asked, whether the directions would get everyone to the run site. 38 men of Hamersley turned up, showing that the directions were satisfactory.

Circle Up & Visitors/Returniks:

Acid, **Pole Polisher's** mate is called up as our visitor. Our returniks were **Hippo**, **Kazi** and **C-Man**.

General Business:

Thank you all committee members who handed your reports, one of you risks the annual being delayed and may get a year's worth of ICING. **Darwin Don** has passed away at 96, the GM ordered a minute's silence. **C-Man** wanted to know who might be going to Roar By The Shore, if going please let him know. **Hardcase** gave a sports report that Scotland lost to Japan in rugby 28 - 21.

Charges:

Tampax on **XYZ** for shonky directions, charge reversed. The GM on **Precious** on his fucked up parking. **Tampax** got done for new shoes.

ARSE Report:

Popeye mounts the crate as our stand in RA. His "On this day" was when Henry Ford invented an electrical system for automobiles on this day in 1912. His word "Fick Ditch", it is German for Fuck You.

Wanker of the Week:

Three of our favourites, **Sheep Thrills** was nominated as a carry over. **XYZ** for behaviour becoming a wanker and **Mac The Mouth** who has bought a Toureg and is after 3 VW badges. With the voice of the circle, **Mac The Mouth** became this week's wanker.

Run Report:

Pole Polisher started at 10 out of 10, then took 2 points off for no co-hare bringing the score to 8 out of 10. Something about the fucking bush brought it to 6 out of 10, then came a redeeming point (maybe the beer at the drink stop), that brought the score to 7 out of 10.

Ice:

MauSie for calling the Guest RA a Blonde Haired Throttlar. **Arseholio** for his spew inducing fart in the circle. **ELF** got done because he replied to **Kazi**, while in the circle, **Kazi** then followed **ELF** and got a cold asre too.
