Run Report 2153 Bravefart @ Woodie Woodvale

Preamble:

What a quite location the Ol **Bravefart** has picked no bastard to annoy us except the odd clown that drives in not realising it's a no through road, or is it that **38** brittle coloured **Hamersley Hash Men** have got their attention milling around at the end of the street, bloody neighbourhood watch Mrs Jessop rubber necking, While the **GM** mounts the crate co hare **Pole Polisher** is drawing symbols on the bitumen that no one takes notice of, a deprived child at school never got to play with chalk I think, **Bravefart** starts off with runners that way walkers stay back much to **Boof's** disgust one trail only policy dissension in the car pool,

The Run:

It wasn't hard to work out what was going to happen here a huge lap around the lake, with a good use of false trails it had the runners passing **Spud** and **C-Man** on many a times with Ol **Troppo**, **Coops** constantly repeating we meet again boy's, or **Kazi** I'm following **Wimpy** but heading in the wrong direction, Or you hear **Popeye** yelling out to **Cookie** come this way **Leavitt** to the young fellas seeing your getting older, Coming into the on home straight **Popeye** tries to sprint it out but with all his short cutting the boys are just meters behind him, **Popeye** there was only 1 short cutter in the club that was good at that give **Habb** a call buddy he can give you some pointers,

Circle Up

With most of us a little sober this week the **GM** gets the evening proceedings under, **Kazi** on Ice gobbing, we have a guest **RA** tonight **Cookie** filling in for **Schemealot** (**Screwdriver**) and **Mullet** for **Rooted** to check on the Non-Compliant, **Mullet** give us a smelly arse joke for the Non-Complaints, they are seated and we are into it,

Returniks

Arseholeo & **Stir** living in the yellow submarine while **Dag's** bean training **Sir**

General Business:

Donka T&T 74 days, Pan Asia Indo 502, Pan Asia Rebel 491, Nash Hash 409 & Rebel Tour 89 I don't **Give-a-lot**, **Dags** get your run details in and I have 2 T&T regos for sale come see me cheap cheap, **GM** calls **Donka** to give us a report on last week's going's, as quite few were very inebriate and can't remember, mint run lots of home brew free flow very long circle 90 minutes plus **Sir**, all pissed had to listen to a lot of shit on the way home and clean up bucket loads of spew from the floor and I **Don't-Give-a-Fuckalot** as I don't have to drive again **Sir**.

Wimpy lunch report as **Tagg** is getting a mental assessment to keep his money, Lunch **Sir** was shared dishes while across the table **Rads & Shit Scrapper** shared bowls of rice, When **GM** ran out of piss I shared mine with him too, good feed kicked on into a back street alley cat bar, sang club song with gusto and all got kicked out. As **Cookie** is retiring he is putting on the piss for Friday 13th March lunch at Charles Hotel all past and present members welcome, you only retire once he says, will see **Cookie**,

Charges:

Popeye for competitiveness the short cutter DD, **Cookie** on **Concord** for no **Hamersley** add in fixtures he is handing out tries to weasel out about Oyster Bar but fails DD, **Scrotus** presents court warrant papers found on path calls in eagle eye **Stir** to inspect but are **Blank, Concord** ice & DD, **Kazi** DD for failing the **Power of Hamersley** test got up and ran away ya weak bastard **C-man** got a clean arse, **3 Dicks** report found the box not all the money there cost a lot to get undies of **Sir** DD **Bravefarts** Megan is discussed that the quality of porn has dropped to a level well below sea level in some of the Hamersley chat rooms and is not turning her or him on due to some fucking clown posting up videos of him singing **Yellow Submarine** and drinking coffee, what a turn off DD **Arseholeo**

ARSE Report:

Guest **RA Cookie** mounts the crate and starts with on this day, a real good looking smart bloke was born in 1961 and who is it? All stumped as no one can answer it, wonder who **Cookie**? Resident **wankers Mullaway & Elf** come forward and are told to pick who are the shortest in the club besides them two, with the help of **Popeye** they are lined up **Mullaway, Elf, Captain Hook, Replicar, Donka, Kazi**, By the elimination of the weakest **Captain Hook** as you have a good right wing, but your left wing is useless like our politicians your it,
