## Run Report 2154 Joint Run @ Dumarse House

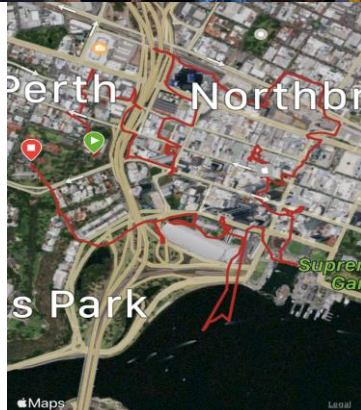

### Preamble:

Here we are at the back off Dumarse House for 50 years of hash in Perth not PPPPH! With a warm night forecasted and 41 of our finest making up 50% of the crowd we are in for a good laugh, **Gasman** is on a mission to get into the boong eggs with **Concord & Swallow** making shore they don't miss out. The crowd is called to order to make there way down to Parliament House for the start, **Mullet** as usually with the help of **Dingo** stay behind to look after the van, while **Dikvan** gets the **Spud's** on the boil. With a shout out to the boys we get a group photo on the steps, before **Concord** ropes in the **Woodpecker** for a photo that **Cookie** can use in the BGC boardroom or at home. What a beauty for your retirement **Cookie**, Club song number 1 sung with Gusto on the steps of Parliament, **Roo-Ted** was proud he got to shake his hand but actually wanted an autograph. With the bullshit out the way, the **Silver Throat Woodpecker** a good hash name for him sends the crowd On On to the left.

### The Run:

With the boy's heading into the city I & GM Sir Kumsize come up with a plan while the boys are out running we'll cook up the burgers get dinner done so we can get on the piss, We went looking for **Donka's** car no car, we work out he must of come with **Hardcase** so check of the keys hanging no Saab or BMW keys, with that we grab every key and start pushing buttons heard a lot of cars beeping but not the one we wanted, In comes **Donka & Hardcase** where are the keys? Oh **Roo-Ted** drove he should be here no the old cunt is out hopping on the run and his keys are on him, No trust in your mates hey **Roo**, No sooner he's back, **Mullaway** is slicing tomatoes **Barrelina & GM** are flipping burgers thanks guys and the **Mob** are into the nibbles like bloody clockwork,

### Circle Up

7.30pm PPPth are running the show so easy night no need to scribe, pigs Arse been waiting 2 days now for their rag still no email, so this is what I remember, Horse & Polly the old Cunt not our **Pole Polisher**, form a circle on the roundabout, **Replicar** brings out the ice and it's left in the middle of the bitumen to melt we don't use ice they say, Fucking Soft Cocks. They acknowledge all for coming out, they honour our **GM Sir Kumsize** and other GM'S, Call in all 40 year hashers **Boof & Popeye** for DD's, There RA Kangaroo No Balls (Eric Ripper) takes the crate and starts dribbling like his first maiden speech in politics, Gave up after this and joined the pissheads behind the van and there were a few there, Back out for **Club Song number 1** with **GUSTO**. Circle over 7.51pm as there beds are calling them home,
