Run Report 2157 Hardcase Hamersley Hoop Loop

Preamble:

Corona-virus??!! "Fuck it" say the lads as they shake hands, feet, dicks, etc. STDs will be on the increase at H4. While the resta the world has gone mental, **Hamersley** Hashers remain sane & rational and prepare to put their athletic bodies on the line to follow the latest trail set by Hare **HARDCASE**.

The Run:

The Hare sprouts sum bullshit and sends us south into the wild Warwick bushlands. An early falsie catches the usual band of front runners and it's back south to Wanneroo Rd and on to the Beach Rd corner where **POLEY** politely presses the peedestrienne button and waits for a greeney as we wait to head into our namesake suburb **Hamersley!! TROPPO** takes the tuff root between the traffic to get a head start. The dumb-fuck walkers arrivin a bit late get the flashin red-lite and nearly get cleaned up by a buncha cars what got a green one. That made the fuckers run. Another falsie up Wanneroo and then west into the **Hamersley** mansion bits. Windin thru the streets and parks here we ventuly reech Erindale Rd and cross into the old **Hamersley** bits. **POLEY, BRAVEY AND BOOF** lead and follow trail religisly, while the likes of **POPEYE, COOKIE, COOPS, KAZI, REP** and **ME** short cut the loops around the parks here. Around the primary skool (damn, no kiddies to check out) and we work our way back

north to Beach Rd. The heats startin to take it's toll a bit, but visitor **LIKACLIT** from Jackarta handlin it easy. At the back now I takes a short cut and akcidentally end up on the **Walkers** trail past the back of Warwick shops, while the fronties went round in circles the other way. Ventuly cums back to the runners trail thru Ellersdale Park. Headin east now past the CopShop (aparantly **COOKIE** called in there 'cos 'e got lost) back across Erindale and thru the bushy bits agen, burnin the rubber off the Nikes in a race to the bucket.

Verdict

Well set and thort out run. Slitely on the lengthy side at nearly 9Ks. Walkers did about 4 (lazy cunts)
Well done **HARDCASE!!**

Visitors/Returnicks

COW CUNT has survived a mishap. **GASMAN** has survived lookin after our dark skinned bruthers. And **LICKACLIT** visits from Jackarta. Welcum back cunts.

General Busyness

Corona-Virus is the talk of the Circle. Suggested solutions are many. "Shoot **Neville** and all will be well" "Foam mugs for D/Ds" "Disposable ice covers" "Dental Dams" "CV can't be transmitted anally" "No dunny paper?? Call Jim's Anal Wash" "Self-isolate on Mundy nites"

- # **COOKIE** advises re the Charles pub luncheon Friday 13th. BYO grog, nibbles and tarts. 12.30pm.
- # **HALFWAY** advises **HARVEY WALLBANGER** not well but OK to visit.
- # **DONKA** with the usual updates on "days to go" to various events.
- # **DAGS** advises **TWO DOGS** tryin to get numbers of bodies for the Mandurah run. Who's goin??
- # **CONCORD** advises how to drink piss on the train and avoid security cameras.
- # **WIMPY** advises old remember **FIREMAN** says "G'day" to you all. Probly said "get fucked" too.
- # **BRAVEFART** advises the T&T Offshore run is Full & the Saigon alternate, regos are now closed

WOW

GASMAN is the stand-in **RA** tonite without 'es boong-egg oufit which in the past made 'im look so grand. On this day in 1976 = Cable car accident in Trento, Italy kills 43. Well who knew that???

Word of the Week = "**Glabrous**" Don't think anyone had the answer. Clue? Look at **BRAVEY's** head.

Current holder/wearer of the now colourful **Wanker shirt BOOF** nominates someone with a sick relative. Turns out **LICKACLIT** had just that, but she died before he could get to her. He was having trouble getting a cheap airfare.

GASSY nominates the blonde throttlor **POPEYE** for making sure that "**PELICAN**" (**Gassy's** alternate handle) is now known around the Pilbara.

On the voices tho, **BOOF** retains the shirt. **Wanker!**

Centurion

Congratulations to **MAU SEI**, done 500 Runs tonite and has done 'es 5 D/Ds thru the Circle.

POPEYE reminds us of **MAU SEI's** motor bike riding talents the nite 'e tried to take out **RAD's** car's front end doing wheel stands on 'es son's trail bike 9 years ago. Well done **MAU SEI**.

Next Weeks Run
