Run Report 2169 Gasman's Tunnel of Love in Leeming

Preamble:

4.50pm run set tick, prep for nibbles and food tick and tick, now it's just sit and wait for the boy's to pull up. 5.15 And the first ones to arrive are our Pedal filers **Tampax & Swallow** rolling in on bikes looking very merry. With the usually meet and greet **G'day Cunt** how you been out the way, the **38 Men Of Hamersley** start to gather around the van, while **C-Man** hands out glow sticks to the front runners for their use on the run. 6pm the **GM** calls up **Gasman** for run directions, with the crate rated at 150kg SWL the **Gasman** has no problem climbing up. **OK Cunts** your on lime, orange tape light sticks and if you can tell me the word that I left out there I'll buy you a beer.

The Run:

With the boys keen to get warm so they are of across the oval left into a false trail, this is where the runners now have to run past the walkers to get back in front. Heading east the trail splits walkers west, runners east across the path alongside Roe Hwy till they come to the **Animales** tunnel under the Roe. **Boof** questions if those pair of **Fat Cunts** could even fit through? (Yes the hare **Gasman** did it 3 times) 100m long and lite up with glow sticks made easy crossing for some, but the shortest off them in the club **Donka & Voodoo** kept bashing their heads trying to stand up and run silly pricks. While **Mase, Mother** and **Panels** arrive back to the On On in 15, as they lost trail so they were of for a casual stroll around the paddock. Once out the tunnel we miss the 6.25 freight train with a false trail, then we cross over the track 4 times like they think we are going to pull of other great train robbery,

Back up to Karel Ave across the Roe north through another tunnel (underpass) couple of more falsies so the A Team can just catch up with the Elite Team through the bush home, all up 5ks 50 minute run

Circle Up/Returniks

Ring in **Tropo**, **Captains Hooks** carrier tonight gives a true story how he attended a wedding uninvited and insulted the Bride's **Mother** for looking like **Scrotus**.

Roo-Ted: Why doesn't Mexico have an Olympic Team? Because everyone who can run, jump & swim live in the USA.

Did you hear about the blind man who walked into a bar, then a table, then a chair!! Boom Boom.

Returniks tonight **Squirt**, **Mullaway** and **Scrotus**. **Scrotus** buys the **GM** a Kilkenny for not bringing a mug to avoid the ice.

General Business:

Donka starts with lost my lap board last week **Sir**, before he can go on **Mullet Pipes** in. **Sir** I had a call from the cleaner at Millington Reserve, they can cross this **Mother** of a board with all this sticky **Scottish** Jizz all over it, with my detective skills I worked it out it belong to **Donka Sir**, as it was wrapped in a tartan spank rag.

GM calls out **Squirt** for not educating his unmentionable in how to look after her guest's my unmentionable. Instead she lets her fall down the staircase breaking her wrist, now I'm stuck doing all the house hold shit at home, so demeaning off a **GM**, DD **Squirt**.

MelAdjusted on **Sheep Thrill** for constantly on his phone while out on the run, then his phone ringing in the circle. **Sheep Thrills** buys a mug to avoid sitting on ice.

Replicar on **Mullet** for under selling the piss out of the van while I'm out on the run DD **Mullet** from the ice
