Run Report 2170 Swallow@ Craigie Leisure Centre

Preamble:

Pulling up at the back of the rec centre we find the lads all huddled up under the verandah as the rain just starts to be a nuisance. Hopefully the **RA** gets here on time to fix this problem. In comes the hare on his bike finishing of the last of his trail looking quiet casual and relaxed. 6pm the call goes out **GM** on the crate. **35 Hamersley**, 4 Bully & 1 visitor gather around as **Swallow** gives instructions, Runners over the carpark, walkers follow me right at the lights and I'll get you to the drink stop. **On On** that way

The Run:

Through the gate we go, 1st Falsie at the top of the staircase the cunt, back down & north along the track right at the corner to a very long long Falsie; **Coops & Wimpy** go through the gate to find another FT what the hell is going on, we back track to find a backward 4 under the tree pointing up the 2nd staircase to a check, by now with the lite rain not easing up, most of the trail has disappeared now it's hope for the best. It doesn't take long before the **Co-Hare Tampax** finds the running pack and leads us back in the right direction as a live hare on the push bike, calling out false trails at timely intervals to keep the group together. We go over Whitfords Ave to where we lay our love ones for a drink stop. Song sung its back over the Avenue to dry off and cold refreshments.

Circle Up/Returniks

With the very tight confines **GM** gets things going, Shut the Fuck Up!!! Temporary **Non-Complaint MelAdjusted** is called to give a joke but there is no stopping **Roo-Ted** jumping in with his reading of young Johnny having sex in school for the 1st time and coming home with a sore arse.

GM questions the **RA Screwdriver** about the weather? **RA** gives a spill about how we have **Bully** here tonight and maybe a sacrificial lamb might help stop the rain maybe someone like **Blank Sir**, **Blank** steps up and says as an **RA** myself I tried my best but if the **RA** turned up on time instead of at 6.15 we both could have made it stop **Sir**, Two's better than one you know. **Swallow** takes a seat for the Bully lot and you would not believe it the rain stopped.

Bully visitors are **Blank**, **Diesel**, **Pussy Dog Scrotum (Stringline)** and our visitor **Exit Reentry** welcome back

Voodoo nominates the hare **Swallow** gave directions on the quiet to a couple of guy's and it still went to shit.

Kazi nominates **Tagg** as he asked me if I can find him a good place up this way where he can set his run from.
