[Run Report 2172 Tagg Delegation Run @ Millington Reserve](#)

Preamble:

Last minute change off run site by **Tagg** on Sunday was a good move with what was forecasted. The van pulls in at 5.30 and I quickly kick **Precious** out to back the van into its tight corner for the night. 5.45 The hare **Tagg** starts waving his hand around and **delegating** jobs out to the **35 Members**. 6 O'clock **GM** on the crate the cry goes out. **Tagg** comes forward and gets **Cookie** to give run directions as he was **delegated** this job. I'm proud to have taken this job on as **Live Hare** and I have **delegated Boof, Bravehart and Pole Polisher** 10 minutes ago to set it. Runners over the park, walkers to follow **Roo-Ted** whichever way he wants to get to the drink stop.

The Run:

Over into the bush we go up into a false trail before swinging south making our way to Elliot Rd, through the streets 3 more false trails till over Westcost Budgie Drv. Along the foreshore south past iconic Peters Greasy Fish & Chips the only high lite of the run so far as there is no **Smoo** out in this weather. Back up Scabs Rd left into Edgehill St, another 4 FT's along before we reach Abbett Park for a **Drink Stop**. 2nd high lite **Tagg** has put on 6.6 proof Belgium Beers to knock your head off. Legend Song sung it was north back Home to the 3rd high lite **Shit Scrapper** **delegated** to do Nibbles and what a great spread he has put together and it did not stop here.

Charges

C-Man a certain Soft Cock member of high office on Friday decided to snick off at about 9pm to have a little lie down while there was still 2 hrs of free piss to go. **Shit Scrapper** was looking after **Precious**. **Precious** was supposed to look after the **GM**, but he doing so well with the ladies the **GM** gave him the slip and snuck off. **GM** to **Bravefart** is this true. Well **Sir** I had 3 pints with **Coops** & **C-Man** before we got there, had a pint thrown into my hand when we got there and many more after that and I can't remember a thing.

Ok then **Coops** you where there? Yes **Sir**, Plenty of food and beers got stuck into the Bourbon did not see you snick off at 9pm I think it was around 9.30 **Sir**. Fuck this **Boof** come forward and you can charge any person without any recourse. **Righty HO** a recent trip north **Barrelina** got a new bike and joined **Popeye**, **Toad** and **Ropey** etc. to Broome. 6000 k's later they recon you are a Cunt. DD **Barrelina**

Run Report

XYZ my good mate **Swallow** say's this can be a good run. Down to the water I went walked a little missed the drink stop. Runners came in from over there and the walkers from over there 9.5/10.

Coops jumps in seeing the **delegated** hare **Cookie** on **delegated** the job to others minus 1.5 totals 8/10

And -1 for each hare who set it total 8-3 = 5/10. **GM** who supplied the 6.6 beer **Tagg?** Me **Sir** Ok plus 2.5 = 7.5/10 and for the good food by the boys plus 2.5 Total 10/10

Hares Act:

I **delegated** this job to the **RA Screwdriver** but he did not show up tonight **Sir** so I've call in the **A Team** for help.

In 2020 a crack hash team was setup to run during Covid,

These men promptly ran on Monday nights during lock down followed by the B Team while the CC Team (Coffee Club) and others watched on from there homes.

Today we are still envied by all hashers and clubs.

If you have a problem - if no one else can help - and if you can find them - maybe you can hire them: The A-Team.

For those of you who helped step forward for a DD. 35 Men of Hamersley all step forward for a DD

Song:

Replicar gets a birthday song for his 70th

All the boys Raise Your Mugs

H4 HashMash:
