Run Report 2175 Team Hamersley @ Kingways Sports Centre

Preamble:

Having a good run on the FWY we turned up at 5.25 same time as the **Van**. You beauty **Gasman** cries "I'm thirsty" Where are the **Team Hares**? **Bravefart** and **Boof** they have just gone home for a cup of tea, ya fuck'it we'll set up here. By now we have **41** Thirsty Hashers wanting a drink. 5.45 **Hares** arrive **Boof** yelling pack your shit. We are moving up to the top of the carpark over there. Much to the disgust of the **GM** he is made to walk 300 meters to the other side, not even offered a lift by the **Hares Team**. So he bums one of the **Lift Team** driven by **MauSei**. **GM** mounts the crate and calls in **Popeye** for the first of 1/1900 runs. Good shit **Blondie**. **Bravefart** mounts up, nice long run On On dat way.

The Run:

We take off to the left thru a little bush before the **GM** tries and straddles the fence before catching his **Scrotus** between the wires. Out goes a loud cry, fuck I've got my **Precious** jewels caught. By this time the pack has gathered around to help, **Elf** and **Mullaway** being the shortest, are playing rock, paper, scissors to see who's going to get under that Kilt to have a look. **Barron** comes along saying **Leavitt** to me I'll deal with this, looking under he can see the **GM's** nuts are twisted up. **Barron** orders **Gasman** to go back to the van and get him a **Screwdriver**, 2 **Spuds**, one **Shit Scrapper**, the block of ice and a **Kilkenny** to shut his **Wimping**. While at the van **Popeye** is telling **Mullet** how he's done 1900 runs. **Popeye**, I need 2 **Spuds** out of the pot, yells out **Gasman!** No you can't I only have 1 each for the **Boy's**, stop being a tight **Cunt**, one in the **Club** is enough and feed the **Boy's** it's an emergency.

By the time **Gasman** returns we quiz **Baron** on the procedure? Well you see, while **Barrelina** is performing in front of him, **Kilkenny** in his hand I poke **Voodoo** with a **Screwdriver** in the backside like a doll at the same I come in from behind like an **AssAssin** and bop 2 **Spuds** up his backside, which will make him jump, grab his nuts, shoot the **Spuds** out and **Squirt** his load. By the look of those nuts he's been on **Rations**. **Shit Scraper** is to clean the shit up and the ice I will give to **Arseholeo** to take home so I don't sit on it later. **MauSei** to run around yelling this is **TEAM HAMERSLEY**, not **A Team**. One in all in.

First in **Troppo** 7pm, last in was **Pole Polisher** 7.30. He got lost on last false trail.

By all accounts good run but having to share some of the trail with **PPPertf Hash** is not on. **Lazy Team Hares**.

ARSE Report:

The long haired cunt finally calls for his **RA** to come and tend his flock and the fat cunt comes out in his finest boong egg gear. Getting a bit on the nose now ya cunt some prick tells him. Fuck up idiot. **Gassy** drags that

fucking **Mallaly** out for a seat, some sort of revenge on the dwarf prick. Gives him a minute on the ice and fucks the cunt off without a drink.

Righto, we'll start with the word of the week. **Gassy** wants one of the hares out as an example, and fucking **Bravey** starts chirping away. Well, come on ya cunt, come have a seat. The bald headed shit pulls out his platinum ice card, no use by date on this tubby he says. The **RA** is pondering its validity and when **Bravey** whispers I'll get **Blondie** out here, **Gasman** reckons it's still ok. Come and have a seat ya **Blonde Throttler**. **Popeye** comes and sits and **Gassy** says word of the week is Hypoxia. The Hong Kong sheep fucker **MauSei** reckons it's a lack of air. Yeh pretty good there mate. Have a boong egg. It's usually caused by being throttled, lucky we have a **Throttler** on the ice. Fuck off **Blondie** ya cunt.

Kazi calls out the **A** (rsehole) **Team** and gives em his word, **Hash**. Non competitve sport of gentlemen etc. U tell em **Kazi**... Mob of Wankers.

Now, on this day. **Gasman** says in 97 some blonde kicked it, maybe the rag choked on arab jism, but fuck me, **Hardcase** steals his thunder and yells out Lady Di before the **Pelican** can give the boys a laff. No boong egg for you ya cunt. Can see the **Fat Prick** getting shitty. Have a seat ya mongrel **Gasman** says. No he didn't. He said have a seat ya cunt. Fucking idiot.

Kazi gives em something about the Sinn Fein in 76 and George Harrison getting sued by some money grubbing cunt the same day. Where was **Thalidomide** in 76 we all wonder.... **XYZ** brings up another tale about his Uncle Adolf rounding up some poles in a radio station in 39. Must a been playing some hebrew headbanging shit the cunts.

Now time for **Wanker** of the **Week**. **Bravey** comes out and nominates **NBF (Arseholeo)** for attending a funeral of some cunt he didn't know (**RIP Marbles**) and being told to fuck off by the dead blokes rag 4 times for freeloading his piss. **Nevs** only defence was that **RADS** was driving and seagulling free piss as well. Fucking tight cunts. **Gasman** nominates **Pumpkin** for telling him he'd given up, smoking pot. Fuck me.... Nah... **Pumps** defends himself. On the hash and cake now ya cunt he says.. Just stopped smoking it. Yeh, righto Cheech. **Gassy** also nominates his sidekick **Kazi**, just cos we all know **Kazi** is a wanker.

Crowd bays for **Buttfucker** to wear the shirt, then burn the cunt next week. There ya go **Nev**, have a shirt ya clown then fuck off.

The 2 **Team RA** get a thank u drink from that drunken long haired prick and told to fuck off and control these Cunts.

Elf's Observation

Gentlemen of **Hamersley Hash**, welcome to the occasion of the run being set by the illustrious, if self-proclaimed, **A Team**.

Seeing that we have the team here together, I thought that it would be apt to relate each member to their cousins in the A Team from that television series and, as such, I wanted the members of the hash to decide which of our **A Team** was most appropriately aligned to the TV Team.

To this extent, we should start with the leader and for this we need a smarmy, arrogant, twat to play the part of Hannibal ----- any suggestions? **Cookie**

We then need someone to play the fool who is always disrupting the hash and running off at the mouth to partner up with Murdock who was noted as being clinically insane. Does this remind you of anybody? **Bravefart**

Next we need the clever one. The smooth talking one who can create a diversion by way of fire and, whilst cannot put the fires out, can always be relied upon to start one. This is played by Face. Now who would fit the bill? **Pole Polisher**

Now we need B. A. Barracus, or Mr T, a nigger full of gold chains and a scruffy bugger to boot --- again any suggestions? **Boof**

Finally, there is a dumb blond named triple A who looks as though she have come out of a Maurice Mead salon. Ring any bells? **Popeye**

Now I might add that we are very lucky to have the team here tonight, as some of the team have been hospitalised this week. **Cookie** spent the week in intensive care whilst having his wallet removed from his back pocket, **Boofy** has been in for a charm implant and **Popi** set a new Guinness world record for getting further up another's arse than thought to be humanly possible.

So, I would request the **Grand Master** conduct a survey within the hash to appoint our **A Team** members with their counterparts.

Now **Grand Master** I would like to make another point and, this is that an A team is generally regarded in sport as the second team. There is the first team and then there is the A team. With this principal in mind, I would propose that the hash appoint the first team and my suggestions would be the **Coffee Club**.

With its new leader the grand pooh bear **Mullet**, who recently deposed the absent **Donki** in a bloodless Coupe detat and ably helped by that bastion of wit and repertoire, who is always calm, collected and never blows a gasket, unless you steal the beer truck and our token Scot in the team - **Hardcase**.

Followed by **Squirt** and his dog and by that I do not mean Rations.

Then we have our token Kiwi and the world's only one man hakka ---- **Mausi**.

We also have **Kazi**, the man who has received more wanker shirt nominations than even **Cookie**.

In **Donki's** absence and he does send his apologies, but he is currently on set filming a beach too far, which is different to **Popi**, who is currently performing in a bleach too far.

So, in summary, I would, in these trying times, suggest that we have our own award ceremony for the First team which is the Oscars (Organisation coffee aficionados reigning supreme) and the **A Team** being the Baftas (Bludging affluent twats)

If my friends and I were the A-Team...
