Preamble:

Being this far north tonight who said it doesn't rain in south Geraldton. Pulling in there was not the usually G'day **Cunt** I normally get, but where's the **Van** its 5.45 and we have **39** thirsty **Hamersley Men**. Not my problem **Cunt** the **RA** is driving and he has **Rads** as navigator. **Boof** that would be right didn't the van turn up late 2 weeks ago when he was navigator.

5.55 The **Van** pulls in **GM** bails out like Rambo, **Rads**, **Ampol** and **Boof** are yanking on the side door to get in, but the **Screwdriver** in his haste has taken the keys out and locked the **Van** what a calamity off errors.

6 o'clock **Stir** gets **Troppo** to spell out the run directions and with an **Aaaahgga** On On that way.

The Run:

Of around the oval before the 1st FT, back up the hill across to Candlewood Park path with a couple of FT's to the water tower, turning SE towards the back of the shops another FT, now headin south on Simcoe towards Lady Evelyn Park with more FT's. We turn north at Katrine threw the paths that join all these cul-de-sac's can't believe how many there are and the fucking hill's. We hit Blue Lake Park where half the running pack decides to be a walker now and take off on the W trail. **The Soft Cock's!!** The finest off us turn west to loop around Nanika Park then north alongside the fwy with more FT's, turning east at Bonnevillie looping around the School to Burns Beach Rd, before coming in on Queens Place on home, Good hard run thanks guy's

Stir's Act

34 years setting runs with Ellis

Troppo called when he got the word... And he said, I suppose you've heard
...About Sgt Bilko

Well I rolled my eyes in surprise. I thought the prick, had once more died
While on his bike and having a ride. While haven a ride.

Chorus

Oh I don't know why he's leaving, Or where he's gonna go
I guess he's got his reasons, Or is he just too slow
Cos for 34 years I've been setting hash runs with Ellis.

Ellis, Who the fuck is Ellis.

34 years running all amuck

Scaring all the coppers Cos we didn't give a fuck

Cos for 34 years I've been setting hash runs with Ellis.

Ellis, Who the fuck is Ellis.

I don't know where he's gone, but I know he's out there stuffing
I bet she's got a fanny that looks just like a muffin
Fish fingers was his favorite and I tell you that for nothing

Chorus

Had some heart attacks just falling off his bike
That man will stop at nothing just to be a skite
We'd light a bonfire and he'd sing in his Choir
With a throat full of cum, I guess those days are done.
But have no fear Troppo's still here
So he is the sound we'll continue to hear
Aaaaahgga
Now that Ellis has gone

Chorus

Yes I'll never get used to not setting hash runs with Ellis
Ellis, Who the fuck is Ellis
For 34 yaers I've been setting hash runs with Ellis
Ellis, Who the fuck is Ellis
