Run Report 2180 Mullet's get your Hot Dogs in Sorrento

Preamble:

Pulling in we found all the lads milling near the **Van** to keep out of the cool breeze. While heading to the **Van** a guy comes over with a Subi footy jacket on. "You look like an official with a clip board in hand." Yes. What do you want? (Thinking he's about to have a whinge.) This is **Hamersley Hash** and does a Rick Gill (**Mudguard**) run with you and is he here? Arrr Yes, Yes & No, but why? Oh I just wanted to shoot the breeze and hang some shit on him. Oh ok and the next thing he's gone. Fuck I hate questions. Now back to the more important things. **Mother** yells out **Gods** on the crate. There is one amongst us that has done **1800** runs. **Troppo** comes fourth and has 2 of 18, Goodman. Now for the **Hare** that did not lay the trail. **Mullet** comes in **Kazi & Tampax** set the run don't blame me. Now over the oval you go. **39 Men of Hamersley** and **2 Visitors** are gone.

The Run:

Over the oval South into hills of Sorrento we go before our 1st FT, looping around Hocking with more FT's up hills the cunning Cunts, before we hit Padbury Circle with 2 quick FT's, around Drake with FT's downhill this time the **Wankers**. Now I can see why **Co Hare Kazi** was rehydrating back at the **Van** like a **Mullet** out of water, after setting this run. We turn east now on Raleigh for the hill climb FT just past Frobisher down Robin Ave, Turning North at the park into a series of FT's after FT's uphill and downhills. The quicker you ran the more air time you got like being on Motor X track. Fuck these Hills coming from the pack. All in by 6.50 good shit lads. **Pour the Piss**
Troppo called in for 4/18

Charges:

Cookie this travel bubble with the **Kiwis** has me concerned. It's ok for them to come over but for us we can't go there. So I'm charging the **Kiwis Boof, MauSei** and **Replicar** for coming here 30 to 40 years ago sucking of my tax paying dollars and not leaving the **Sheep Shaggers**. Up held **DD** the **Kiwis**.

Scrotus drove the van last week with a lot of difficulty getting there. On the way home was much easier, I thought unloading all that piss at the run had helped, **Replicar** commented, no it's the ½ Ton of **GM** that we unload on his **Unmentionable** that helped. **GM** now **Replicar** you can plead your innocence from the **ICE** or plead guilty? I plead guilty **Sir**. (Smart boy for a Kiwi)

Troppo 12/18

Accolades:

Kazi for **Tagg** brings a \$5 bottle of red wine to lunch. **Donka** helps himself to ½ the bottle. Later at the pub, **Tagg** can I buy you drink seeing I drank most of your wine? Sure, an **\$18** Espresso Martini will do, classic.

GM for **Concord** for taking it on himself to draw raffle tickets while I drank free piss last week.

Troppo 14/18

Next add reads "plane for sale", 20 year old Cessna how much? **Concord** \$38k Who the fuck has 2 runways and plane? Not **Cookie**. In Fremantle I buy bags Ice for drinks not for Cracking, I pay \$4/bag here at BWS what do I pay for 3 bags? \$13 how fucked is North of the River?
