Preamble:

How great is this perfect warm night **42 Members** plus **2 Visitors** makes **44** and Run 2181 all about numbers? Fuck knows where I'm leading with this but Hey it's **Hash**. So **G'Day Cunts** welcome to **Swallows** Run Report. 6 o'clock, **Gods** on the crate. **Swallow** climbs up give's a quick spill like have all the others before him, but this time he includes there is a **Drink Stop. On On** that way.

The Run:

We take of around the back alongside the fence most stopping at the gate while **Cookie** not being that smart keeps going to do the FT, some **Mothers** do have them. In through the gates we go 1st of a few FT's and long ones at that too. We come back out the bush into a check and there is only one way that is obvious, up the staircase we go. Around the limestone track FT out on the side road then back on the limestone. Not even 1/3 into the run we reach Warrandy Park and here we find the **Drink Stop** Port & Lemonade being handed out. While looking into his trolley we find he has a travel pack of a few **Bush Chooks** which **Elf, I** and **Concord** are quick to grab hold of as they are **sweeter**. With **Song #1** sung, **Concord** tells the **Runners** you are **On** down the hill; all the while laughing they will have to come back up as it's only a very long **Falsie (Dumb Cunts)**. The **Runners** are back up the hill past the **DS** and into streets off Craigie now. **Walkers** follow me **Concord** back along the limestone as **I'M** out of **Piss**. While the runners do FT after FT before hitting Whitfords Ave for the long slog home to a feed of smoked polish sausage.
