Preamble:

5.35 The **Van** drives straight past the intended carpark with **Tagg** behind the wheel, **Replicar** doing the gear changers and indicators, the **Boy's** are yelling out to no avail, no sooner the van stops the **GM** bails out all white knuckled up and shaking his head with disbelief.

Mother calls out the usual at 6 o'clock "**Gods** on the crate". **Scrotus** climbs up on the box while **Popeye** quickly gets in behind to make sure he does not fall, Bula Bula. With his quick spill on how this is going to be a top run **45 Men of Hamersley** and **2 Visitors** were off.

The Run:

We take off Sth past the cricket oval around the lake, east towards light St with a few short **Falsies**, NE along Lyndhurst into a 300m **FT**. **Boof** commenting, **Scrotus** could not walk this far, well he was wrong the next **FT** in Cygnet was even longer again 400m this time, so you do the sums 800 up and back the big **Wanker**, followed by another 300m with the front pack constantly changing. Still heading NE we loop around Wren and Penguin St to reach Chev St. Yah 3 way **Check**. **On On** the call up Chev Pl to Wellington, Back into the long **Falsies** we go again towards Abinger Reserve. **Walkers** keep going towards the shops then back left at Seabrook home **6km** for them. While the **athletes** like myself keep going around the top towards Morley High all the while letting the front runners do all the **Falsies**. One last long **Falsie** at Bunya before a 1.7k slog back home to a great spread of **Nibbles**, 9.5km all up
