## Run Report 2186 AGPU @ Woodvale

### Preamble:

Crivvens, jings and help ma baob. Fit a nicht it was

51 Hamersley hashers turned up to say cheers to the outgoing GM and committee and to welcome in the new committee. Things got out of hand straight away as the GM apparently had been helping set up since 12.00. He wasn't looking pretty at 6.00 pm

**The Run:** GOD straightens his coat of arms and gingerly stands on the crate. Welcome to run 2186 – Hamersley's AGM. SWALLOW delegates the run instructions to CONCORD who tells the crowd, F\*^k off that way. The run started at Timberlane Park and gently meandered through plenty bush and suburbia heading for a DS at SWALLOWS abode.

A dozen or so runners completed the run but was then joined by the walkers who had chosen to walk the trail backwards. After some quick refreshments, the Hamersley song was led into by Cookie and the pack followed the trail home. Good run – well done boys

## **Circle Up & Visitors/Retuniks**

GOD mounts the crate once more and looked a lot worse for wear. Fortunately, he is well supported by splash pourers Claire and Bella.

The GM managed to blurt out the words VIZITORS>

**Visitors** included FIG JAM and BAD BOY from Hangover Bay along with locals SHREK and FARTIN.

**Retuniks** included MORPHINE, TWO DOGS, KAZI, DAGS and a slow recovering HARVEY WALLBANGER

**Virgins** included FLASHER, FIRST OFFENCE, BLOW JOB and FARTIN

## **General Business:**

Chaos reigned as the GM by this stage was in a sorry state.

Order was gone and even the RA was being threatened with ice unless he could keep the troops in order. Ice goers included BRAVEFART, SHREK, TWO DOGS and BARRELINA for saying – Why don't you F^\*k Off Donald. Some normality returned and major awards for the Year were announced.

## **SHIT RUN 2020**

There were 6 contenders for the Shit Run of 2020.

Crowd pleaser was RADS, for producing 34 burgers for 34 members at his run, with snacks being provided by left over from the Krankers Ride.

SHEEP THRILLS got a mention for producing Vegan Soup and TAGS for never actually setting a run himself.

Winner for the prestigious award went to SWALLOW for his Craigie Leisure Centre run. There was a little sympathy from the crowd however as at least he put big effort into providing good wholesome food. Well done SWALLOW.

## **WANKER of the YEAR**

This was a very contentious result and the crowd thought that the RA may have been going through one of his minstroll cycles. Many candidates were mentioned but the RA seemed to select the winner with no firm basis other than the winner had been Wanker in Waiting for most of the year for some minor earlier offense.

Anyway, well done to SCREWY for a great year as RA and well done to DONKA for picking up the trophy. He joins an illustrious band of proud wankers.

## **Charges:**

Chargers were abandoned due to the continued chaos and 'DONALD was finally dragged from the crate and immediately put on ice. The ice definitely didn't suite his delicate arse and the ex GM was seen unceremoniously rolling around the ground shouting all sorts of profanities.

Well done to the GM, SIR KUMSIZE for an entertaining year and to his outgoing committee.

The new, self-elected GM C-MAN takes control and immediately announces his new committee which clearly had been voted in by the "Postal Method"

The 20/21 Committee of the Delusional Athletes is as follow

<b>GRAND MASTER</b>	<b>C-MAN</b>
<b>Onsec</b>	<b>DONKA</b>
<b>Hash Cash</b>	<b>BARON</b>
<b>Royal Arse</b>	<b>COOKIE</b>

<b>Joint Masters</b>	<b>BOOF, BRAVEFART</b>
<b>Song Master</b>	<b>COOPS</b>
<b>Historian</b>	<b>POPEYE</b>
<b>Splash</b>	<b>REPLICAR, SHEEP THRILLS</b>
<b>Haberdash</b>	<b>PRECIOUS</b>
<b>Web Master</b>	<b>TAMPAX</b>
<b>Flash</b>	<b>POLE POLISHER</b>
<b>Intercourse</b>	<b>SCREWDRIVER</b>
<b>Munch Master</b>	<b>TAGG</b>

**WOW:**

**Wanker of the week** was carried over. Congratulations WIMPEY

Shortly after the circle closed however, a pair of wankers put their hands up for next weeks nominations and for Wanker in Waiting for the YEAR. ELF, egged on by his Jakarta mate Hardcase decided it would be funny to steal the new GM's Waist Coat. Elf took off to the hills like a startled rabbit with jacket in hand. Meanwhile, the new GM was frantically running around looking for his jacket BECAUSE his car keys were in the pocket. OH OH, didn't you check the pockets ELF before you took flight? Fortunately, Elf answered a call from his partner in crime and managed to persuade PRECIOUS (who was oblivious to their goings on) to return to the scene of the crime, and hand the jacket back to the GM. Nice one ELF, I'm sure the GM won't forget this in a hurry.
