## General Business: [Run Report 2189 – Bridge Club 33, City Beach](#)

**Preamble:** \_Crivvens, jings and help ma boab. The run hadn't even started when Arseholeo steamed into the carpark and rips his front bumper off by clipping a fire hydrant. Pole Polisher was not happy and lovingly hugged the hydrant to check if it was OK.

**ONYA Poley.**

49 MOH front up on a beautiful summer's night along with 1 returnik / renewed member PITSTOP.

**The Run:** The GM stalked the members and at 6.00, jumped up on the crate. SPUD, SPUD he shouts. Come and get a drink. 1/ 2 of 12. VOODOO is called out and said the run was on tar, bush and sand. One drink stop and told to F^\*k off that way

Circle Up & Visitors/Retuniks: OOPS, the GM got ahead of himself and was hard to reel in. Straight to GB. **He was like a ship caught in a storm with no engine or steering.** Good to see HARVEY WALLBANGER making the effort to come out and see the boys after long and ongoing illness.

Visitors : None

Retuniks: HARVEY WALLBANGER. PITSTOP (Re-joined the club on the night)

General Business: STIR was called out to recite an ODE to GISBERT (originally written by STIR) as it was GISPERT'S FOUNDATION DAY RUN. Members celebrated this event by wearing their best suit jackets – **maybe to show a certain someone that he is not necessarily the SMARTEST man in Hamersley.** SPUD was called out for 3 of 12.

ROO-TED (wearing his 1962 Claremont Footy jacket") takes front and centre as representative for the physically challenged and calls out to the "note bringers".

MAUSEI, MULLET, MTM AND CAPT HOOK were quick to take advantage and after presenting their notes, were given the hallowed exemption cards. **CAPT HOOK was heard to complain that he was the only genuine Physically Handicapped member, and the rest were pretenders.**

SCRAPER was called to the circle to comment on the Hashmash event at the Bell Tower. Said it was a great night but cold South Westerly put all the girl's private parts on lock down. Kicked on to the Lucky Shag but didn't bring him anymore luck. **No Robin's nest for him or was it a moose's ear?**

ROOTED was thanked for turning up at the Bell Tower at 10.00pm to take away all the empties and given down down.

SPUD, SCREWDRIVER and BARON given down down for organising the event

COOKIE sits on ice for derogatory song against PITSTOP (something to do with carrots). GM takes opportunity to spray the number 4 on his Armani suit. **Now it's just called a Fourmani Suite.**

SPUD 5/6 of 12

SCREWDRIVER showed off his new necklace computer. It even has a Wi-Fi connection to a mini printer which he was able to conceal under his jacket. **Apparently, all the rage this year.** His printout said – 102 days to Poor Man's Hash and 22 days to "Not the KINGS PARK run".

HARDCASE had been intrigued with the RA's claim to being the richest man in Hash. He googled Australia's Rich List – and found no mention of him. He carried out further research and again, no references came to light. In act of frustration, he wrote to the ATO – as they were bound to have some sort of record. They replied to Hardcase's letter saying that they had a record for Gregory Berndt Heylen which clearly was COOKIE as it matched his German heritage but could see no evidence of having much money as he hadn't paid any taxes in last 10 years. They vowed to look into it further through the **Tax Avoidance Team** and if necessary, the **Money Laundering Team** and would get back to Hardcase once a full investigation was completed.

MTM asked that members be reminded to dress for Xmas on his run-on 21<sup>st</sup> December 2020.

BRAVEFART put a carton on for his grandchild. We will wait for COOPS to return next week for his

ON-SEC announces that the first Committee meeting was scheduled for Tuesday 8<sup>th</sup> December. Any members wishing for any issues to be raised to talk to a committee member.

Charges:

The RA was first up charging HARVEY WALLBANGER for upstaging him – the richest man in Hash?? HW turned up with his new Merc with a starting value of \$296K + some.

Second charge on HW was for trying to impersonate the GM by

- 1) Using GM 52 WA as his car number plates
- 2) Wearing open jacket with no shirt

**Both charges stuck.**

RA was given a down down but having no MUG, was forced to buy Hamersley beer Mug.

**That will teach ya COOKIE**

CAPT HOOK on HASH CASH for given him double up on tokens. Charge reversed. **Dumb prick should have kept quite**

REPLICA on POPEYE for stealing H4 arrows for Krankers ride. Charge reversed as GM was on the ride.

SCREWDRIVER on Ex GM. SCREWDRIVER had organised beers for Hashmash based on past drinking habits of 11.7 cans per member. Ex GM was seen drinking cocktails which meant average went to 9.7 cans per member. Another factor was CONCORDE was up North.

Charge upheld as too much piss was left over.

Accolade to POLE POLISHER who had left for Hash but forgot to pack a dress jacket. He rushed into a Vinnies on way to run site and bought a jacket for \$12.00..

**That's dedication for ya. You could always sell it to Cookie as he apparently is looking for a new jacket**

Accolade to all singers in absence of Song Master

WOW: RA takes to the crate.

ON THIS DAY: 13<sup>th</sup> Amendment Abolishing Slavery Ratified

WORD of the WEEK: Billingsgate: Rough language filled with profanity

Wanker nominations were:

DICK VAN for not wearing Wanker shirt on run

ARSEHOLEO for destroying public property in the carpark

ELF as carry over for stealing GM's jacket at AGM

WIMPEY for limiting his Birthday party guest list

CONCORDE for not buying piss on his birthday. Subsequently through empty beer can at RA which he caught majestically in his Tadpole net.

CONCORDE was voted for being outstanding Wanker

**Run Report:** 14 runners set off at a gallop, down Templetonia Cres. Run turned Westward through bush, down to shoreline of City Beach . Walkers and runners split at West Coast highway with runners doing a 2 km loop through bushland. DS at Tumut road followed by strip show from a **want to be H4 Hairlette**, who was keen to join the pack. Don't think her hubby was too impressed.

TAMPAX agreed it was a good run and gave it a 9 out of 10. Well done to the Hare & Co Hare VOODOO and DV8.

SPUD 11 / 12 of 12

**Ice:** Well used particularly by the RA and GASMAN

**Next Week's Run:**

ARSEHOLEO – Food is still live in the river

**Next week's Van driver:**

XYZ

**Hash Lunch:**

TBA

**Hares Act :** Good luck to anyone who had any clue what VOODOO did or said in the act. DV8, VOODOO's lawyer, introduced ROODOO REDNECK who not only was barely 5 ft tall, but had a speech impediment. This is where it all went arse up. Apparently it was not not politically correct, something about his work career and black fellas but not having understood a word that was said (Because RR had stuffed some used tampax in his mouth) it was difficult to tell.

**However, full marks for giving it a go.**

Good food, good run and giving the act a go. Well done to the Hares.

**Song:** PITSTOP sings out with Australia Hash let us rejoice.
