## Run Report 2194 – Boots Run and Fallen Hashmen

**Preamble:** \_Crivvens, jings and help ma boab

Wi'oot a doot, the sleepest, dustiest, barmy day we've hid, and some 49 men of Hamersley and 1 visitor, gathered at Joondalup Heights to celebrate the **Boots Run and Fallen Hashmen**.

But Fit a Sauter, drama straight away – BUS NOT WORKING!!!!!!  
Enough to drive ye bonkers. **BARON** (The Driver on the night) tried genital persuasion to turn over the ignition but no movement so had to withdraw. But smart thinking by the bus boys plus the **GM** enabled them to get a Ute, stock up and get supplies to site.

Well Done **CMAN, REPLICAR, SHEEPTHRILLS & SIR KUMSIZE** for saving the day

**The Run:** **GOD** mounted the crate and with two laborious steps after his gargantuan efforts in getting Piss to the run site, called on **DINGO** to give run directions. Chalk for the roads, flour for the shiggy he said that even a **blind man** could follow. Now F\*^K off that way.

**Circle Up & Visitors/Retuniks:** **GOD** mounted the crate once more after his long walk around the circuit and called for Visitors and Retunicks.

1 visitor and 6 Retunicks queued up for the free piss much to the annoyance of the Piss Pourers. **Joint masters worried that they had only limited amounts of PISS.**

**Visitors :** **ENTRY RE-ENTRY** , Bali Hash

**Retuniks:** **SLOPS** – Chilling out (**Please don't tell a joke**), **DAGS** – looking after misses, **ELF** – hunting for the Tasmanian Devil (**don't sneeze ELF or you'll kill half of the members**), **COOPS** – been on liquid diet, **MAC THE MOUTH** – playing with himself, **TAG** - loosing weight but no limbs missing.

### **General Business:**

**MOTHER** takes front and centre as representative for the physically challenged and tells his best funny joke ever (**Apparently rehearsed for weeks**). Some quiet titters were heard around the circle – at least enough for the old boys to be allowed to sit down.

The **GM** called out the names of the 16 recorded Fallen Hashmen and held a minute silence in their memory. **What about the dogs ??? I hear MUM saying**

(**DONKA**, the highly efficient and well organised On-Sec, has made extreme efforts to update this list and has asked members to review and comment if changes need to be made)

Och No – **SLOPS** tells a joke

**SCREWDRIVER** gave his low down on Poormans Hash, Broome and Bruce Rock. **Who's going – everyone by all accounts.**

**PRECIOUS** announced that he had Bathers for sale (**you might need them next week**). The king of Bargain hunters, **CONCORDE** jumped at the chance and was able to purchase a set for 1 Beer token – so long as he modelled them on the spot. He did, much to the disgust of the members.

**BRAVEFART** announced that the Club was going to hold an OPEN DAY as a committee initiative to encourage new members to the club. The event will be on a normal Hamersley Hash Run night at Warwick Open Space – on the 22<sup>nd</sup> February 2021. Visitors will be free on the night, and the club will give some assistance with food and snacks.

**GM**, on hearing what he thought was a **lion roaring**, turned out to be a **squeaky moose snoring**, has to tell one of the sitters to wake up **MAUSEI** who was clearly overwhelmed by the night's activities. **Questions were raised – was he too tired walking or just too tired TALKING!**

### **Charges:**

**MAC on the GM** for changing the sump oil on the Van and clearly causing engine malfunction. **MAC** had time to reflect on his charge and through the bounteousness of the **GM** – was invited to contemplate – on ICE. **Just goes to show MAC, you are never too old to be dumb**

**SCREWDRIVER** charged the **HARES** for setting a run, so far North that he had trouble at the COVID check points then was harassed by " want to be bikies" sporting 'L-plates.

**BRAVEFART** on **FLASHER** for putting stickers on the BOOK.

**WOW:** Quite night for the **RA** – must be trying to keep his **ARMANI** suite clean  
**BRAVEFART** nominates **ARSHOLEO** for selling golf balls on the way to hash making **FLASHER** late for the Run.

The **RA** advised that **MAC THE MOUTH** cannae conform to wearing uniform and did not wear his Hash shirt to the Lunch .He was given carry over till next week – at least. **That makes 3 weeks in a row. I think we have a challenger for ARSHOLEO for Wanker of the Year.**

**Run Report:** 10 or so runners (numbers slightly down, obviously missing the leadership of their normal front runner **DONKA**) set off at a cruisey pace. Well-marked run along Lake Joondalup and through the streets of the suburbia – up past Regents Park, along the route of Grand Boulevard and back to Hawkins Park.

Plenty FT's and Check points to keep most of the pack together.

**FLASHER** was impressed by the run and said that the walk around the lake was enjoyable – food expected to be good so 8 out of 10

**Ice:** Sparingly used but especially enjoyed by **BRAVEFART** and **MTM**

#### **Next Week's Run:**

**WIMPY** with coerced co-hare **KAZI** advised that run will be at the City Beach Car Park. Also advised to wear your bathers as part of your run gear – as they may be needed.

**Next week's Van driver:** **BIGGLESu**

#### **Hash Lunch:**

**TAG** reported that the Hash Lunch at Shy Johns brewery was a great success with 14 starters enjoying good food, good drinks, good Day had by all.

Watch this space for next month's extravaganza – hopefully at Vietnamese restaurant.

#### **Hares Act**

**MASE** started off with little story well received by the circle. **DINGO** carried on and recited a rendition of “LICK LICK PIG” in pigeon english – which started off well, but was forced to stop after 10 minutes with half the members either fallen asleep , of gone home.

Well done boys for trying.

**Song:** Australia Hash

#### **ON ON**

**C-Man / Donka 9/52**

Much thanks and gratitude to **KAZI** for stepping in as **SCRIBE** on the night.
