Run Report CoVirtual Run 1

Preamble:

Firing up the screen to get things going, I find the **GM Sir Kumsize**, **AssAssin** up early in Canada, **Screwdriver**, **Mother** and his **Mutt** all logged on and waiting, **Wimpy** calls **On On**. **Wimpy**, **Donka**, **Kazi** and **Replicar** are of around Noranda, within the next few minutes there are 18 off us shooting the breeze, **Tampax** on the treadmill, **Bravefart & Boof** running down at Smoo Boulevard, **Pole Polisher** in the hills **Coops** holding up signs his mic is not working, all up 22 involved, But we will get there by next week

From the **No Rwanda Racket Club** (Mini Beirut)

G'day mate,

Well myself, **Replicar**, **Wimpy**, **Kazi** and **Donka** met at the Noranda Tennis Club and at 6 pm **Wimpy** did his run brief and I stayed back to mind the fort.

I already did my bit on the walking machine when I got home earlier.

So off they went while I stayed logged in and witnessed the bulshit going on in Zoom.

When they got back they caught the tail end of the virtual run/circle and after Zoom stopped we had an extra bit to our circle.

Kazi did the the run report and reckoned there wasn't enough false trails, no food and meagre nibbles, company was good. I brought up that **Concorde** was supposed to be here but on his second dog walk of the day, (and probably his second carton), he blamed the dog for pulling him of the track, getting him to trip over

a tree root and fuck up his shoulder. We gave the virtual chargee a song and we took the down down. I was discussed the **Donka** get a virtual "special" shirt for no hash gear on the run. His rebuttal was that he wanted to blend in and not get **Hamersley** in the shit, So he just escaped being out virtual wanker of the week. All in all a good night with plenty of bullshit and lame jokes.

Next week's run, **Kazi** wants to do a "two by two" from the MAC Club. We have decided that we will run in civvies so we don't look like a footy club bending the rules.
