Run Report CoVirtual Run 2

Preamble:

Thank fuck for Monday CoVirt Zoom night, Hold up at home with the bride is starting to test my sanity, but with 22 on the screen and 6 out on the streets of Marmion I don't know which is worse.

Still a couple of the lads are having tech issues **Ampol & Hooky** dropping out same as **Barron** with the camera, but we are getting there. **Two Dogs** keeps freezing up his screen form too much porn, needs to upgrade his data, **Tagg** sharing his home screen, **Coops** in his Virtual shirt. But overall it's good to see all the lads are all in good spirits cracking jokes and shooting the breeze

The **GM'S** Report

Kazi's Krack Elite Team.

Location: Marmion Angling Club

Kazi did his run brief and then **Wimpy**, **Donka** and **Kazi** took off. **Concorde** still butthurt over his dogging incident stayed with the **GM** and participated in the Zoom.

The "Krack Team" got back in time to take part in singing out of Zoom.
Afterwards the crew got pizza and we had a bit of a circle:

Our **General Business** had us planning the next run from **Hooky's** place. **GM** to talk to **Ampol** about arrangements and **Wimpy** to set the run.

Charges. **Wimpy** on **Donka** for "lagging" behind, defended by **Donka** as social distancing charge reversed. **Wimpy** on the **GM** for wearing **Hamersley** gear when the deal was to run in civvies, the **GM** defended his actions by saying that first, he didn't go on the run and second as **GM** he is obliged to fly the colours. The charge didn't stick but the **GM** did a down down anyhow. The circle dobbed **Bravey** and **Boof** for running within earshot of the **GM** and not shouting On On or hello, **Donka** reckons they dinnie give a fuck! The charge stuck and we took their down down.

Our virtual wanker was **Concorde** for sooking and going home early. Reminds me of why it sucks to be a pedophile, you have to go to bed early.

The hash act was **Donka** and **Kazi** doing the wild thing with **Kazi** as the pole and **Donka** the dancer at a distance of 1.5 metres.

ON ON C Man

Sir Kumsized / C Man 2/?

JOKE OF THE DAY

A man and his wife got into bed for the night. The wife had curled up ready for sleep and the husband started to read a book. As he was reading, he stopped and reached over to his wife and quickly fingered her pussy then went back to reading his book.

The wife got up and started stripping in front of him. The husband was confused and asked, "What the hell are you doing?" The wife replied, "You were playing with my pussy so I guessed you wanted to fuck"

The husband said, "No - I was just wetting my finger so I could turn the pages".
