## CoVirtual Run 4 Mac's Anzac & Donka's Dominators on Beach

With 24 members gracing the screen or on the beach it was a good turnout, All standing for the Ode and minute silence good job Mac,  
**Lest We Forget**

Hopefully we will be back to normal soon

### Run Report

OK, **Donka's Dominators (Wimpy, Kazi, Donka and Repy)** got themselves organised for the run and eagerly awaited **Mac's ANZAC** address to the men before heading off on a trail marked by **Bravey** or was it **Boof** who set the run? Anyhow at different times during the run, **Wimpy, Kazi, Donka, Repy,**

**Bravey** and **Boof** were "on trial" with this run. **Tampax** was sighted on his bike following trail as well. While the runners were out, **Biggles** stopped into where the **GM** was holed up for the night to acquire two **Hamersley face masks** and quickly duck of to "Zoom in" at home. After the frivolity on Zoom, **Donka** cooked up some excellent sliders for the rebel runners, complete with **Mrs Donka's special relish**. **Kazi** sent us all into a panic by coughing but it was found that he had choked on a bit of **Donka's meat**. **Wimpy** announced that we were all entitled to the \$750.00 package but **Donka** said he wasn't because he lived too close to the beach. The rebel runners charged **Mother** for the lack of faith that they would make **Mac's ANZAC** address and the ode, **GM** upheld the charge and it was carried, **Mother** charged and the runners took the down down.

**Wimpy** charged **Kazi** for "pulling a **Cookie**" and telling everybody he had done a hammy, it was suggested the Kazi wanted to be first in line for **Donka's** special sliders, charge carried.

The rebel runners nominated **Tampax** for next week's wanker of the week as when he turned up on the run as flash; he only took one picture and pissed off!

Anyhow that's how it all unfolded at the dwelling of **Donka** on Monday night.
