## CoVirtual Run 7 Replicar @ Yokine Reserve

### Preamble

Making me way up with **Cookie's** younger twin brother **Gasman** in the car, I can see we are in for a laugh tonight, pulling up at just after 5 the early birds **Boof, Bravefart, Cookie, Concord, Popeye, Troppo** and **Phar Lap** were off to find trail, while **Tampax, Swallow, Gasman** & myself just sat back and enjoyed the eye candy waltzing around the grounds, lot better than the beach is my vote, The rest of the lads start showing up just after this with **Baron** giving up the Zoom room and joining the great outdoors as well, **GM** mounts the crate and gets **Replicar** to give us his spill, fuck off that way and there is a drink stop much to the disgust off the early birds who found the DS but no drinks, serves you right lads, **Hand Brake Harry (Cookie)** tired his best again tonight but still could not pip **Popeye**, coming in 2 car lengths behind

### Circle Up / 1<sup>st</sup> Timers

**Baron** takes a sit due to new knee; **Popeye** gets the run number 7 right and DD, **Ryan** the personal trainer was called in for DD as he was just finishing up his boot camp session nearby, he was offered free membership and magazine
