## Run Report 2204 – Whitfords Nodes – Young Again

Preamble: \_Crivvens, jings and help ma boab

Fit braw, perfect conditions for a well troddin run site. If only we culd find the RA then we culd get started. Wait a meenit, a think I see him cumin.

The Run: 45 or so M of H were called to order by the RA. The GM mounts the crate with his *grumpy face on* and starts rattling off about how he is getting fed up travelling to the same run site each week. **How about Bibra Lake next week then? – aye, that will make him happy.** He calls up STIR who hasn't a clue where the run is going – as it was hand balled to **Bravefart and Boof**", but he was able to say "mok, no fower, no dwink sop and F\*^K off wat way". **Maybe he should have put his false teeth in before he spoke?**

### Circle Up & Visitors/Returniks

In **Rooted's** absence, **MULLET** takes on the responsibility of a joke /story on behalf of the physically handicapped and sadly announces that his unmentionable has gout. He was asked how did he know? He said he tweaked her in the arse and looked at her longingly and she said – "G'out"

**STIR** felt obliged to join in and, with the aid of his memory stick, sings “We are Hashmen called Hamersely”. Good song **STIR** – would have been good as the act.

Roll call for those present but injured and on crutches , revealed **Coops and MauSei** (with his resplendent pink cast) . **Coops** has been told by the surgeon that if no improvement in a couple of weeks, both him and MauSei will have their feet amputated and replaced by a pig’s trotter. He brought one to showcase to the boys. **Looks like it could be an improvement. Maybe we could replace their heads a swell?**

**Mel Adjusted** still recovering from heart surgery was not buying into this replacement nonsense and sensibly stayed hiding in the wings.

#### Visitors:

**Precious Junior** (Mike) or should we say **Delicate**.

#### Returniks:

**Mel Adjusted, MauSei, Blow Job, Mullaway, Pumpkin**

#### General Business:

The **GM** starts off general Business with an accolade to **Donka** and **Kazi**. These two felt sorry for the Gm up in Cervantes when they saw that he had a huge hole in one of his thongs, so they went and bought a new pair. They were clever enough to but a pair with a similar hole so that the GM could interchange them at will.

**Sir Kumsize** awarded the **RA** with a Tee shirt which says ‘No point in being the richest C\*@t in the Cemetery’. **Point taken.**

**Bravefart** encourages members who have not yet nominated to do a Run this year to see him afterwards and get organised. There will be a name and shame next week for those who don’t.

**Donka** announces that there will be a committee meeting at 7.30 start, on Tuesday 13<sup>th</sup> April 2021.

Venue- **Baron’s** place. Any members that would like any issues raised please forward your suggestions to a committee member by Friday 9<sup>th</sup> April latest.

**Screwdriver** is showing his frustration at trying to follow leads on International events. He said that The Mekon Indo event has been put on hold due to COVID. He is now clearly in a dilemma as his job keeper payments will come to an end on the 31<sup>st</sup> – and he hasn’t secured an alternative job yet>

**Please return the Neck Top computer to the GM before you leave Screwy.**

**Cookie** dribbled some rubbish about an elitist running group within the club. He was instantly sent on his way by the members and reminded **that there is only ONE group for all.**

#### Charges:

**Kazi** was given an accolade by a passing young women who asked “**Is John Cranwell around? No, then tell him he’s drunken old Prick**”. **Obviously, she was family or at least family friend and knew him well.**

**PJ (Delicate)** charged his old man **Precious** for failing to give him instruction on what to do on reaching a song stop (remove your hat). **Precious** in his defence said it is so long ago that he has reached a Song Stop that he had forgotten what to do.

**Bravefart** thought it his civic duty to protect the attending members against Mozzie’s. He started off with a can of Mossie spray but, when finished, used what was available. Well done for initiative but half the members could not understand why they had Yellow spray paint all over their legs.

### WOW:

Resident Wanker **Voodoo** was called to the centre.

He nominated **Squirt** for trying to call him but on an old telephone number?

His second nomination was for **STIR**, by setting the run through a children's playground – where the wanker shirt, worn by **Voodoo** was closely scrutinised by the parents around. **STIR** blamed it on **RENT-A-HARE** who will take it on board to punish the offenders **Bravefart** and **BOOF**

**Bravefart** reported that there had been some unusual activities in Cervantes, involving ladies' toilets, an unmentionable called Furball and a found Hamersley hat. Seems that the owner had so much disrespect for the hat that he did not even know that it was missing!!!!

**POPEYE**, you are nominated Wanker of the Week.

### Run Report

**STIR** requested that **RENT-A-HARE** came out to complete a run report. **Boof** and **Bravefart** said that the run started off well within the sand dunes of Whitfords Nodes – ending up on the new lookout tower. Plenty of false trails to keep the pack together. It crossed into Hillary's and meandered through suburbs, looped around parks and headed North towards Ern Halliday Recreation Park. Here the head runners had a rush of blood and decided to add another 3 km loop to the 7km already completed? Not sure who was responsible for that. Anyway, well set (in places) plenty of opportunity for walkers/ runners to return home and according to **Boof** and **Bravefart** 7 and 8 out of ten. Food looks to be good and with a great effort on the act, after adding and averaging – gave the run a finishing **9 out of 10**.

### Ice

The **Gm** put **Precious** on ice for not introducing his guest – **Mike (Delicate)**

### Next Week's Run

Sheep Thrills : Meller park, Bibra Lake

### Next week's Van driver:

**DINGO** (MASE as nominee)

### Hash Lunch:

**Tagg** was no show again: next lunch TBA. **Wimpey** to follow up.

### Hares Act

**Hardcase** introduced the world famous – Blind Organist - **Ludwig Von Bratwurst**.

He was helped on stage and with a bit of prodding and poking, was able to locate his music stand and xylophone, although his hair hanging down to the floor, along with his massive dildo sticking out of his pants, did not help his rendition of Happy Birthday. Full marks for trying.

Well done to **Concord**, who after seeing **Mullaway** drive off with the dildo attached to his bumper, was able to peddle at full speed and retrieve said item to replace the one he had lost some weeks before.

### Song:

**Precious** and son (**Delicate**) shared the honours and sang – Raise your Mugs
