Run Report 2205– Meller Park, Bibra Lake

New Year's Eve – April 6th?

Preamble: _Crivvens, jings and help ma boab

Weel, mighty me - fit a nicht. Au can hardly believe whit went on. It was as chaotic as it gets.
I widdna be deed for quids.

The Run:

32 or so **M of H** and one dog, were first called to order by **Mother** and then by the stand-in **RA, Troppo**. The stand-in **GM, Mase** says "what happens next **Donka**?" and with no more to do, climbs onto the crate and calls for the Hare. **Seems to be a lot of stand-in's tonight!** **Sheep Thrills**, climbs on board, and tells the pack that there will be flour, chalk, a runner's loop and one drink stop, now F*^k off that way!!

Circle Up & Visitors/Returniks

Mase takes control of the crate once more and says, “What’s next **Donka**”. “Visitors and returnicks sir”, says I, but maybe first – **Kazi’s 1 of 8 drinks for his 800th run**. That accomplished, **Mase** tells us a story about his mum having a nerve and having more hair than a broom.

Kazi completes 2 of 8.

Visitors:

_Kevin 11 and mate **Kiwi Pete**

Returniks:

Tagg – who had been social distancing.

Kazi completes 3 of 8.

General Business:

Rooted tells a tale of a father trying to tell his son about the birds and the bees. The son doesn’t want to know and starts to cry. The father asks what’s wrong and the boy sob’s and explains:

When I was 6, I got the news that there is no Santa Clause.

At 7, I was told that there no Easter Bunny.

When I was 8 you told me that there was no tooth fairy!

If you are going to tell me that grownups don’t fuck then I will have nothing left to live for!!!!

The physically handicapped were allowed to sit down, Mel adjusted was awarded his invalid card and **Kazi completed 4 of 8.**

The stand in **GM** whispers to the **OnSec** – what happens next **OnSec**? – “**Still GB sir**” is the answer.

Screwdriver claims that he was still having trouble with his **neck top** computer and has had it in for virus checks. He said that there was little point in spending too much money as there was no f*^king runs going on anywhere in the world anyway. **(me thinks a little frustration is creeping in!),**

STIR came to the rescue and presented **Screwy** with the latest and greatest laptop that money could buy. Now all he has to do is find some event to report on.

On the local scene, Hung’s 10th Anniversary run will take place on the 14th August in Busselton if anyone is interested.

Krankers post Poor Man’s Hash is on again. For details contact **Screwdriver**

Bravefart was looking for Hares for the 3rd and 17th May due to late cancelation by a couple of unscrupulous members. Two members stepped up and volunteered to take on the two outstanding runs for May.

Tampax said he would do the 3rd May, and **Screwdriver** agreed to take on the 17th May (Norwegian Day), **Thanks lads, much appreciated.**

The crowd were a little rowdy and disconnected at this stage so the **OnSec – Donka** tried to get a little order back and asked if anyone had any other GB so that we could move on. Wrong move apparently and was immediately blasted by the **SI GM** – “**Stop your gobbin off like a pork chop and stop telling me what to do**”. **Oooops, sorry SI GM, just trying to help but I won’t say another word.**

Wimpy tells a story about meeting an ex-member Fosey (Full of Shit). It was a long story, but he sends his regards.

STIR told us that he met a chap called Lance. He said that that was an unusual name nowadays but in the medieval past, you could meet Lance a lot.

Kazi completes 4 of 8.

Charges:

CONCORD charged the **joint masters** for not looking after the running group. He said that the run went well in the initial scrub land with the **JM's** keeping good control of the running pack. Once out in the suburbs – with long distances and no false trails, the **GM's** took to the front with the result that the stragglers in the running group lost touch and struggled to find trail in the dark.

Charge dismissed but not a bad point **Concord**.

'What's next OnSec?' Says the **SI GM.** "My mouth is sealed" "says the **OnSec**

WOW:

Stand in **RA – Troppo** mounts the crate, looking like Robert Redford from Out of Africa. Dressed in his splendid Safari suit, he says that the last time he wore it was in Kalgoorlie. He went into a house that had a red light burning at its door and looked to apply for a job in a Missionary position. He was told there was no Missionary positions there – They only did Doggy position!!!

Kazi completes 5 of 8

On This Day: Troppo produced an old Hamersley Rag and advised that on this day, on 6th April 1992, H4 completed their 700th Run. **Replicar** advised that it was his first run with the club, and he enjoyed the attractions of waitress service at the North Beach footy club.

Word of the week: 4 letter word, starting with **C** and ending in **NT**. **Cent** of course

Popeye is called out as resident Wanker and was asked for his nominations.

Popeye had three nominations – 2 of which include lost carpools driving on the way to the run site.

Sheep Thrills came close because of his run and memorable soup that he served last year. He assured the members that he had lifted his game and so was dropped from the nominations.

TAGG however, was seen remarkably close to the run site – took a wrong turn and ended up near the hospital. He was joined near the hospital by carpool **Elf / Precious**. **Precious** (as navigator) thought he knew the way, and **ELF** as the driver had no idea where the run site was in the first place.

The stand In **RA** thought **ELF** was a wanker for relying on **Precious** for directions –being the oldest man in H4.

ELF was unanimously awarded the wanker shirt. **It would make a fitting present to his unmentionable, as they had recently celebrated their 25th wedding anniversary.**

Kazi completed 6 of 8.

Run Report

Kevin 11 was invited up to give the run report. He said that he and his mate arrived late, couldn't find the trail so walked around the park?

Pole Polisher was then asked to do a proper report. First part of run was well marked, plenty of FT's and runners exited the park just before darkness fell (as predicted by the Hare) Next section had some long sections, lack of FT's (splitting the running group) and lots of 4's, but lots missing?

All runners eventually made it to the drink stop so all and all, good run. Food promised to be good so **8 out of 10 awarded.**

Ice

No Ice sitters this week – Onya **Mase**

Next Week's Run

Dikvan : Lightning Park, Noranda

Next week's Van driver:

Disgraceful

Hash Lunch:

TAGG back from the dead (of should we say back from South Perth Hash), reports that there will be a Hamersley Hash lunch on Friday 9th April – at the Canton Bay Restaurant, Northbridge. Street address is 30 Roe Street.

Hares Act

Sheep Thrills enlisted the help of **Coops** and completed an old Jakarta Hash song with Chorus being Ügly, F*^king Ugly. Very humorous and full marks for effort.

Kevin 11 tried act of his own and burnt out the rubber on the wheel of his motorised scooter. **The boy never learns! Mind you, not half as impressive as MauSei doing wheelies on his motor bike some years before.**

Song:

Elf and **Squirt** shared the honours and sang – Raise your Mugs

ÖK Donka is that it asks the **SI GM. Mmmm – what about the song for the Hare?**

“Good idea “he says. “**Coops**, sing **Sheep Thrills** a song”.

“**OK Donka is that it now**”. **Mmmm, maybe we should finish off Kazi's 7 and 8 of 8, plus present him his badge.**

Good Idea – **Kazi** finish 7 & 8 of 8, and here's your badge”.

“**Note: Great circle, prompt start, short, sharp and to the point with good control over the boys – including the OnSec. Well done to Mase and thanks for filling in.**

Thanks also to Troppo for filling in for the RA. Job well done.
