## Run Report 2235 – Alexander Heights Park

**Preamble:** \_Crivvens, jings and help ma boab

A bit like last week, Shitty weather all day, but rain stayed away. Cold enough to freeze your bollocks off. The **GM**, prised himself onto the crate and called up Barrelina for 1 of 7 for 700 Runs

### **The Run:**

**Wimpy** was out and about selling his \$5.00 sweep tickets for the Melbourne Cup. I managed to catch up with him and reserve two tickets for myself and **RooTed**, saying that I would be back in a few minutes to pay, as my money was in the car. On returning, he told me he had sold my reserved tickets, but there was 2 left which I could buy. I opened mine and immediately said "Who the hell is this No 4 horse anyway????? – Bet you've sold the favourite to **POPEYE**."

**Capt Hook** was lifted onto the crate and said **Ampol** set the run so, better ask him. **Ampol** confirmed, chalk, chalk but no drink stop, so F\*^k off that way. 40 **MOH** with 14 runners set off around Alexander Heights Park.

## Circle Up & Visitors and Returniks

Barrelina was called in to complete 2 of 7

**Returniks**: **Dingo** (been doing nothing) , **Sir Kumsize** (been getting a new Knee), **Boxy** (Been in Brisbane, brought back a magazine) , **Ampol** (Hibernating all winter), **Barrelina** (Blowing his gaskets)

**Visitors: None**

### General Business:

Barrelina does 3 of 7

The **GM** wished to remind all MEMBERS that, the **AGM** in a couple of weeks' time is for **MEMBERS ONLY. No walk ins, friends, dogs, cats or imbeciles. Non- Members will be turned away.**

**Rooted** was pleased to introduce **Sir Kumsize** as a newly accepted member to the Physically Handicapped club. **SK** has recently been in hospital getting a new Knee.

He said however he was lucky as there had been a guy next to him who had a legged chopped off because of diabetes. The Doctor came to see him the next day and said that he had good news and bad news. The guy said, 'let's get the bad news first". The Doc said, "Well, unfortunately we cut off the wrong leg, now we will have to cut off the other one tomorrow. "F\*^k "he said, "then what's the good news?". The Doc said, "Well the good news is that we have been able to carry out a successful operation on the guy two beds down from you and he is keen to buy your shoes".

The **GM** searched the crowd and asked "where's that prick **Barrelina**, time for another DD. **Barrelina** responded "I'm here you dumb cnut " which earned him a nice cool seat on ice.

**Barrelina** finished 4 of 7 and then told us that he had recently been on a flight from Brisbane to Perth. He sat next to a block (A **Boxy** look alike) who opened a Hard Porn magazine and starting leafing through the magazine with gusto. **Barrelina** told him he thought that this action was extremely rude, and the guy agreed, and laid the magazine down between them so that they could both perve at the same time.

**Wimpy** announced that all sweep tickets had been sold, but it was unlikely that the winner would put on a carton next week, unless it was **Popeye** who had picked out the favourite.

**Biggles** reminded participants to the **Hamersley Golf Tournament** coming up Sunday 7<sup>th</sup> November (9.30 am for 10.00am start), that all places have now been filled, but general rules for the day are:

Wear 40-year collared Hamersley shirt if possible – otherwise any collared shirt

All players will be in electric carts

Ambrose comp with 2 drives and 2 puts needed to be recorded for each player

No handicaps.

**Mental Disorder** announce a 3 week trip to Indo in March. Anyone interested in going – contact **MD**

### **Special Presentation awards included:**

**MauSei, 15-year Hat** which he says he's waited so long to receive it – it's probably now closer to 20 years!!!!!! No carton of piss from the angry man. **Onya MauSei**

**Mase, 40 Year Hat** which will be reissued with the correct spelling soon (**Popeye**, the Wanker on ice)

**STIR** recalled one run where they had been fed extremely greasy sausages. **Mase** thought it sensible to clean his hands in Stir's piss stream.

**Popeye** told stories of **Mase** in Manila, which included discussions with the local police.

**Mase** recounted his worst Hash moment, climbing a greasy pole in a Hash drinking competition, being held up by **CMan**, and **Wimpy**. The inevitable happened with **Mase** ending up with severe concussion. **Onya Mase**

### Charges:

Barrelina finished 5 of 7

Charges were few and far between, but **Capt Hook** was charged for forgetting to bring his \$5.00 for the sweep but offering to "Walk home "for it. It was also mentioned that he is a closet thief, who uses his hooked hand to advantage, and is able to steel beers from behind his back when no one is looking.

Too cold for everyone else so moved on to WOW

### WOW:

Barrelina finished 6 of 7

**Cookie** eased onto the crate in his tired looking Armani Suit (time for a new one **Cookie**) and called out the two resident Wankers. The newly rebuilt **Sir Kumsize**, fresh from his OP, had no real nominations other than the Wanker who managed the miss spelling of a recipient on a 40 year hat. The second – very sheepish Wanker stepped up and said "I agree, I F\*^ked up but will have the spelling on the hat fixed and returned to **Mace** tomorrow – Oh F\*^k, I mean **Mase**. I also accept it's a pretty good nomination for **WOW**, and possibly **Wanker of the Year** if it's not too late".

A nomination from **Mullet**, also pointed towards the already accepting Wanker, for spitting the dummy the previous week when caught jumping the fence to get access to the bus. He complained it wasn't even his turn to drive the bus so will NEVER volunteer again. **NEVER say NEVER POPEYE**

By immediate agreement from the **RA**, and rapturous shouts from the crowd, **Popeye** was given carry over as **Wanker of the Week**.

**Cookie** finished off by stating that next week would be your last opportunity this year to DOB someone in as WOW so give it some thought. All nominations will be welcome except for any that sours his relationship with his new best mate **Hardcase**.

**Barrelina** completes 7 of 7 for his **700 Run Badge, Onya Barra**

### Run Report:

Oops – **GM** was going so fast there was no time to aim him for the speed arrester and ask for a Run Report. **Ssssssoooooo, my version as follows.**

The Run, set by **Ampol**, was maybe a tad short (4 km for walkers, a little over 5 km for runners) but was well planned and thought out. Plenty of loops around ovals. FT's and checks kept the running group and wakers together. A pot full of boiled potatoes for snacks and hamburgers for grub gave the Run a well-deserved 9 / 10.

**Next Week's Run:** Coops Airport Run off Hudswell Rd / Abbott Rd. *Snakes Alive* so bring your snake catchers  
6.00 pm start. Food : Yes : Snake bitten **Ratatouille**

**Next week's Van driver:** **Boof** (for Pumpkin)

**Hash Lunch :** **Watch this space for further TAGG communications** but at this stage, Chinese Restaurant, 16 Roe Street, Northbridge

**Hares Act:** **Hookie** shuffled into the circle on his Zimmer frame but then seemed at a loss as to what to do next. He said that he would have told a joke, but no one laughed last year so he would give it a miss. **?????**  
Anyway, **Boxy** came to the rescue and told us about a woman ,who wished to travel from East coast of America to West Coast but wanted to bring her skunk along. Her partner asked where she thought she was

going to hide the skunk as it would be allowed to travel interstate. She said that she would hide it down her undies. He asked, but what about the smell. "Well "she said, "If it dies it dies"

**Mase** also sprang to life after recovering from the disappointment of his 40-year hat fiasco and recited a quick poem. **Onya Mase**

**Songs:** **MASE** sang us out with "Raise your Mugs"

**ON ON**
