## Run Report 2081: Tagg, Replicar & Scrapper @ Yokine Reserve.

**Preamble:** A message from The GM **Scrotus Maximus**. I'll be late, start the boys off, no problems I replied. A good night for Hashing, about 25 for tonight's Polish theme run from **Tagg** the delegator. He got up and told us there is a drink stop. Then had to ask the delegate trail marker which way to leave. Go that way called **Replicar**. By the time I got to the drink stop a message from the **GM**, all has gone to shit I can't make it.

**The Run:** A well set run around the streets of Yokine, Menora & Coolbinia. Sorry no map this week.

**Circle Up & Visitors/Retuniks:** Mr Potatohead, Coops, Rads, Squirt, MTM, Sheep Thrills, & Aunty Jack.

**General Business:** **Cookie** has a carton bet on with **Wimpy** about the AFL, he is going to put a carton on. **Mel Adjusted** reminded all about the Close to Your Heart run Friday the 19<sup>th</sup> October @ Riverton Pavilion Riverton, rego from 5.30 run starts @ 6.30. Get your rego & payment in for our 40<sup>th</sup> party Friday the 2<sup>nd</sup> November, the price goes up on the 4<sup>th</sup> October.

**Sheep Thrills** reported on the train trip to KL, an alcoholic time had by all. **Coops** reported on the 80th Mother Hash. A great time. An update on **HWB** from **Mullet** he is still in hospital, more to come soon. **Panels** reported **Rasputin** is not well he has a kidney complaint. Hopefully we will see him soon. **Wimpy** came out and promoted his AFL Grand Final Function at the Noranda Morley Recreation Club on Saturday.

**Charges:** **Wimpy** charged **Cookie** with flying to Melbourne up the front of the plane. Then **Wimpy** charged **Concorde** as acting horn lead him the wrong way, reversed. The acting GM charged **Squirt** with being blind, leaving his glasses home. **Mel Adjusted** called **Mr Potatohead** out to confirm rumours that **Coops** shook the hand of the fat ex member who shall not be named. **Coops** defence the hand came out of the crowd & he didn't know who it was till after he grabbed it.

**Word:** Poop-noddy - A fool or simpleton.

**On this day:**

1066 - Battle of Stamford Bridge, King Harold of England meet with the Norwegian invasion force led by King Harald. The force was defeated and King Harald was killed in the battle. It was also on the day that William Duke of Normandy set sail to invade England leading to the famous battle in 1066 - The Battle of Hastings where King Harold of England was not so lucky.

1956 - The first transatlantic cable telephone system opens. This is not the first transatlantic phone call, that was in 1927, and sent by radio, radio signal was sent from New York to London.

2005 - The IRA officially disarms.

**WOW:** Tagg was sent to get the **RA** a polish beer, & couldn't find it without help.

What is it about this run site that always has our **RA** in a state of confusion? Anyhow, **Concorde** is called up and asked for his nomination which he quickly nominates **Cookie**. As the usual suspects like **Boof, Aunty Jack** and others start lining up the **RA** is getting noticeably anxious. This may be because of the large "contributions" to the **RA** by the now assembled nominees. Proof the Almighty looks after the **RA** is evident when, at the last minute, at late nomination came in. It was **Precious**; he had been heard uttering the name of that most unworthy, a name never to be mentioned in **Hamersley Hash House Harrier** earshot on pain of icing, multiple charges and the like. The **RA** was notably relieved, dismissing all other nominees and declaring **Precious** the Wanker of the Week.

**H4 Honors: Tonight we Congratulate:** **Spud** for 30 Years of brain cell killing. Words by **Wimpy, Cookie, Sir Kumsize, Boof, & C Man**.

**Jokes:** Some at hares act.

**Run Report:** **Cookie** Not bad at all full marks for the 9.5% beer at the drink stop. 9.5/10

**Ice:** **Mullet, Sheep Thrills, Wimpy, Concorde Squirt, Boof, Mother, Boof, C Man, Wimpy.**

**Next Week's Run:** **Captain Hook @ Ballajura Lions Park Parkview Drive Ballajura.**

**Next week's Bus driver:** **Sir Kumsize**

**Hash Lunch:** TBA.

**Hares Act:** **Tagg** told us some polish jokes, the **RA** gathered **Gasman** to help with the delivery.

**Song:** **Spud**

**H4 Hashhouse:** Polish soup & Stew well-cooked by delegate **Scraper**
