

IMPORTANT INFORMATION REGARDING COVID-19

Hamersley Hash House Harriers (Inc) has been closely following advice from the Australian Government Chief Medical Officer to keep our members, guests and event sites safe. We have implemented preventative hygiene measures across our events and have plans to keep meeting and running each Monday evening at 6 pm, to support the mental wellbeing of our members. However, the safety of our members and guests is our highest priority and, effective immediately, attendance at a Hamersley Hash event will be restricted to Members of the club. Additionally, Hamersley Hash will not be attending any joint events organised by other clubs within the Hash community. We apologise for the inconvenience this may cause. This policy will remain in place until the appropriate official advice is updated.

Lastly, effective midnight (AEST) Sunday 15th March 2020, members who have been overseas or have been in contact with any person who has been confirmed as infected with the COVID-19 virus are not permitted to attend a Hamersley Hash event for 21 days.

Take care of yourself, your mates, your family your community and stay safe.
