Run Report 2196.5 - COVID LOCK DOWN

Did you know...

that in 1882 London prostitute Gerda Puridle invented elongated eye lashes or "cumbrellas" to block semen from getting in working girls' eyes that are worn today as common fashion?

Preamble: Crivvens, Jings and help ma boab

Jist fan we thoct that we had escaped the Virus, up pops another version.

I still blame Kazi. Second time now he's had his Run cancelled at the start of Covid. Must be his act? Don't know what he is going to do with the professional overseas dancer that he organised to help him, she'll probably now have to sit in hotel quarantine.

Any road up, next Run, still Run No 2197 will be MauSei at Koondoola Community Centre – Kiwi Day.

Wear your black sheep shaggers T Shirt if you have one.

Committee Meeting now rescheduled for Tuesday 16th February 2021

If anything changes after Friday's health advice we will be in touch.
