Run Report 2006: Arseholio & Nigh @ Old Lynwood Primary School Site

DO NOT FORGET TO BRING YOUR TORCHES!!!!!!!

Bus Driver next week 24th April 2017 is Tampax

Preamble: Running a little late tonight so I take the suggested route as per the rag thereby adding another 10 kms and 20 minutes to what would have been the best option from my house. Arrive at a vacant block upon which the former Lynwood Primary School stood many years ago (the school had to close because of lack of attendance and the inability to recruit new enrolments because it's best claim to fame was educating **Arseholio** and holding him up as the typical graduate of the school). Not many numbers at tonight's run -less than 30 or so (the other half were probably here last night instead).

The Run: With **Precious and Barrelina** in tow, we manage to walk the salubrious streets of Fernwood, overhanging high tensile wires throughout, and following the creek line of the nearby Canning River tributary until we arrive home in around an hour – missed the drink stop altogether. The surf pigs were already hoeing into the copious amounts of crabs' offal whilst the turf guys enjoyed a quiet beer nearby.

Circle Up & Visitors/Returniks: **Hardcase, Screwdriver, Roo-ted and Nigh (Arseholio's mate)** all came forward for a down-down.

General Business: **MelAdjusted** is still looking for hares for a couple of Mondays in June so if you have yet to book a gig for this year do so immediately before you get allocated a date by the horns which may not end up being suitable to your lifestyle. **Gasman** announces SOPH3 Anzac Run this Thursday in Booragoon. **Baron** advises that Bunbury H3 have set a date next year for their 2000th run celebrations – more info to come. **Baron** also reminds us of next Monday's Anzac Joint Run at King's Park starting at 6.15 p.m. – all to wear their Hamersley Anzac run shirts please!

Charges: **Screwdriver** wanted to charge Doctor Google for not having directions to Kinloch Street Lynwood for him – he still managed to get there in any event so what was the issue? **Kazi** charges **Elf** for ringing him at three quarter time in the Docker's game whilst he was holidaying in Dunsborough to ask for help moving house. **Sheepthrills** is upset that **Cow Cnut** is wearing a shirt commemorating the 125th anniversary of Hitler's birth. **Baron** comes up with the only successful and meaningful charge of the evening when he notes that neither **Screwdriver** nor **Tag** supported him in singing H4's song at the SOPH3 Bunny Run – down-down both.

WOW: **Dag's** word is "Yabber" meaning chat. **Dags** elects **Gasman** as the recipient of the shirt for calling him names – who knows what would have happened if **Gasman** started throwing sticks or stones.

Run Report: **Kazi**, as one of the runners tonight, reported the seven who made it to the drink stop enjoyed themselves and that as there were lots of checks etcetera he rated it a 7/10 (right up there with **Dag's** run of a few weeks ago).

Next week's run: Joint run at King's Park with West Coast H3 hosting the run. Start time will be 6.15 p.m. and the club will be putting on tucker so that we do not have the embarrassment of several years ago of our club members scrounging around other club's nibbles etcetera because H4 was too cheap to look after its own.

Hares Act: **Arseholio** reminisced about his old school days when in company with his mate **Nigh**, they stole the rubber leg stoppers off desks and being caught by the principal who duly went to task on them beating their brains out (pity the principal intervened before **Arseholio** could jam one of the stoppers up his anus). Thanks **Arseholio** for the effort in sharing some of your life – at least you put on an act which is more than some of our members have done.

Song: **Sheepthrills** leads us into #1.

H4 Hashhouse: Seafood curry from the catch of the week or month.

2017/2018 HAMERSLEY COMMITTEE – NOW IS THE TIME TO CONTACT THE ON SEC IF YOU WISH TO NOMINATE FOR A PRIZED POSITION ON NEXT YEAR'S COMMITTEE.

IT WILL BE THE 40TH H4 COMMITTEE ARMED WITH A BUCKETLOAD OF MONEY TO SPEND ON ANYTHING THE COMMITTEE MAY DEEM APPROPRIATE (FORGETTING THE MEMBERS WISHES AND NEEDS OF COURSE).
