[Run Report 2007: Joint Anzac Run by West Coast H3 @ King's Park](#)

DO NOT FORGET TO BRING YOUR TORCHES!!!!!!!

Bus Driver next week 1st May 2017 is Hardcase

Preamble: Good number from all clubs already present by the time I arrive for the 6.15 p.m. start. Apparently, the ranger has been about erasing some of the run already (you have to be a certain type of animal to value bitumen over human beings – Arghhhh!!!!).

The Run: Tonight's hare **Dick Doctor** from West Coast H3 welcomes all before sending us off through the trails of King's Park. Not long before we find ourselves out of the park and descending Mountway to a port and lemonade stop (bit early as we have not even broken into a sweat yet [although Mudguard nearly broke all his bones going arse up/down on the way down the hill] but which hasher would ever refuse some imbuement of alcohol). Some of the pack ended up at Elizabeth Quay whilst the smarter amongst us enjoyed a leisurely stroll via Parliament Place and surrounds before arriving at the bus for nibbles of fried **Spud** and onions and dog roll etc.

Circle Up & General Business: **Simple** of WCH3 takes command of the circle and calls forward latecomers **Nosty (WCH3)**, **Blank (Bullsbrook H3)** and **Dick Van (H4)** for a down-down drunk to the strains of tonight's Songmaster **Basil Brush** (WCH3). Not much else happening so we proceed straight onto the next agenda (a good circle is a quality circle and not a quantity circle).

Charges &/or WOW: It became confusing as to what was a charge or nomination for WOW however the following may have taken place. **Gasman** on **MauSei** and **Kazi** for who knows what. **Franga** was observed finding long lost trailer parts. **Basil Brush** told us of **Bits'** Rip Van Winkle effort during his taxi ride home on Friday night ending at Joondalup. Then the non-Anzac hash shirt wearers were brought forward for a down-down – **Cookie**, **Bravefart**, **C-Man**, **Sheepthrills**, **Dick Van**, and **Tampax** whilst H4's resident weasel squirmed and protested that a Sgt Bilko Committee shirt sufficed as an Anzac shirt. **3G** and **Aunty Jack** had a down-down each for being the man-bun wearers. The four GM's also came forward for a drink. Icings were enjoyed by

Concorde (who shat patiently throughout), **Swallow**, **Mr Wong** (for phone in the circle) and **Wimpy** (I did offer to save him but regrettably somebody had hold of my shirt-tail thereby restricting my representation [many thanks to the anonymous restrainer]). I believe **MauSei** received the WOW shirt however if I am mistaken (never wrong) I am sure **Baron** will rectify this next week.

Songs: West Coast H3 sang their #2, Perth H3 sang their #7, Bullsbrook H3 sang their #1 and H4 sang their #2.

H4 Hashhouse: Thanks to **Roo-Ted** for arranging the Chicken, Mash and Peas and the Nibbles. It was obvious all appreciated the feed.

H4 Hash Lunch: Friday 5 May 2017, 12.30pm. Tasik Indonesian Restaurant. 63 Aberdeen St. Northbridge. Voucher in the Entertainment Book for 25% discount
