## Run Report 2008: Wimpy & Barrelina @ Noranda Tennis Courts

**Bus Driver next week 8<sup>th</sup> May 2017 is Barrelina**

**BRING YOUR TORCHES!!!!!!!**

**H4 Honors: Tonight we congratulate:** **Cookie** 25 year Hat and **Precious** 35 year Hat.

**Preamble:** Arrive at the tennis courts which are just over the road from my old abode of 28 years (not an inkling of nostalgia running through my veins). Some of the members are already participating in Simpledon whilst the others (pedophiles) are happily eyeing the nubile maidens on the netball courts. **Wimpy** announces that the run has been set for the marafonners of the club and sends the pack past my old abode which now resembles most of the brothels in the suburb.

**The Run:** It eventually found its way to **Wimpy's** and then on home. From those parts I came across on the run it looked like the trail was overlaid the Harriettes run marked by **XYZ** a couple of weeks ago. **Cookie** finally made his way home well outside the accepted tradition of 75 minutes allowed for the hares to get the pack home.

**Circle Up & Visitors/Returniks:** **Morphine**, **Grub** and **SirKumsize** have returned to the fold.

**General Business:** **Kazi** presents a newspaper article from The Straits Times about the run-in with the law that Seletar H3 had for marking with flour part of a recent run through a train station causing a shut down for a suspected bioterrorism scare. **Roo-Ted** thinks craft hash is on tomorrow morning at **Thommo's** house. **Concorde** and **Rads** advise the crankers run this Sunday will be best found from Auburn Grove train station. **Rads** also reminds us of H4 lunch this Friday (check your recent e-mails) and also of the upcoming committee meeting at his house on Wednesday 17<sup>th</sup> May.

**Charges:** **Mausei** charges **Wimpy** for his tennis club notice that has no mention of hash (nor did **Wimpy's** apparel tonight [arrogance personified]). **Baron** charges **Gasman** for his lack of earnest intent whilst he had a beer in one hand and a racquet in the other during his time in the tournament. **Cookie** iced for not fronting earlier as a returner.

**WOW:** Twas 'Togs" this week – budgie smugglers of course. Incumbent **MauSei** nominated for varying misdemeanors **Gasman, Voodoo, HalfWay and Wimpy. Concorde** had issues with **Popeye** falling off his bike on the way to hash tonight after **Popeye's** rear wheel clipped the front wheel of the following **Concorde. Boof** thought **Elf** had screwed up the run (if that was at all possible after how it was set) because he had to revive the non-breathing **Cookie** and nurse him all the way home. **Dingo** on **Boof** for reviving the upper class bogan **Cookie. Boof** self-appoints himself and gracefully dons the shirt.

**Jokes:** **Barrelina** had a couple. One about the brain tumor sufferer being on his countdown of longevity, 10,9,8.... Another was about the pastor wizard beneath the sheets mistaken for a Ku Klux Klan man.

**Run Report:** **Cookie** tells the iced **Wimpy** of the badly marked long shit run and in all his usual malevolence marks it a whopping 3/10 (pretty sure this score is a first for H4 but I vow to work tirelessly and diligently for the rest of the year with the judges of the "Shithouse Run of the Year Seat" against **Wimpy** getting the mantel).

**Next week's run:** **Kazi** at Whitfords' Nodes.

**Song:** Hats are presented to both **Cookie and Precious**, lots of overseas stories are recalled about both by many members, the "Ode" is read to each by **Troppo and Baron** then leads us into #1.

**Hash Hero:** **Cow Cnut** puts on a carton to celebrate securing gainful employment.

**2017/2018 HAMERSLEY COMMITTEE – NOW IS THE TIME TO CONTACT THE ON SEC IF YOU WISH TO NOMINATE FOR A PRIZED POSITION ON NEXT YEAR'S COMMITTEE. IT WILL BE THE 40<sup>TH</sup> H4 COMMITTEE ARMED WITH A BUCKETLOAD OF MONEY TO SPEND ON ANYTHING THE COMMITTEE MAY DEEM APPROPRIATE (FORGETTING THE MEMBERS WISHES AND NEEDS OF COURSE).**

**ON ON Scrotus.**
