Run Report 2017: Sheephtrills & Rads @ Beasley Park Leeming

Bus Driver next week 10th July 2017 is not required!!!!

Preamble: Having spent most of the time of our journey to hash tonight in the Perth City Carpark (Freeway???? – all planners need to be hunted down and made to spend their lives in gridlock), we still manage to get to the run site before 6.00 p.m. What is this? – the club's new van parked where the old bus should be! Last week's hares managed to blow the clutch on the bus making it now totally worthless and all bets are now off with the prospective purchasers. Do we charge their accounts with the \$1,000 bids we had? **Baron** holds off the start of the run for several minutes to allow for those still in the carpark. **Sheephtrills** mounts the carte with the news that we are in stall for a virtual run and walk – the runners to chase the hare on his bike and the walkers to follow the co-hare. Off into the squall the pack goes.

The Run: Made its way inside the boundaries of Roe Highway and Karel Avenue for 7.51 kms by my calculations before arriving back at home to the cold verandah of the sports rooms. Many appear to have broken into a sweat (simulated because of the addition of the rain). All seemed glad of that part of the evening being done and dusted.

Circle Up & Visitors/Returniks: **Squirt, MauSei, Effex and Cow Cnut** are back tonight.

General Business: Yours truly announces this week's committee meeting, Wednesday at **MelAdjusted's** abode. **Bravefart** puts on a carton due to his birthday, **Popeye** also has a birthday but I missed his offer of the same goodwill to celebrate. **Baron** highlights the upcoming 50 year run for Sydney Hash, same for Hobart in September this year and the South African Nash Hash in 2019 in Sierra Leone. **Roo-Ted** thinks Kraft Hash is on tomorrow but is not sure. **Effex** will be going to H4's Rotto in Bali the week before this year's AGM. **Bravefart** starts to ask for a volunteer for next week's run and before he could finish, **Squirt** offered to set it from **Screwdriver's** backyard – problem solved (although **Screwdriver** looked a tad perplexed). Confirmation is made to quell all the rumours that yes indeed the bus is clutch-less.

Charges: **Baron** sits **Barrelina** upon the ice so that he can tell us several tales including the discrimination of the Nigger's baby, the blonde's execution in the sandstorm and the self-destructing Muslim's blow-up doll.

Cookie is not happy that **Sheepthrills** advertised tonight's run on the "Grinder" network and **Hardcase** tells of the conundrum of the flies in the Guinness. **Mullet** extracts himself from the comfort of the beer laden eskies to tell of **Kazi's** continual complaints of being late tonight and his preconceived plans of donning his track suit on arrival and sitting out the run altogether – down-down **Kazi**. **Baron** charges **MauSei** for registering for IH18 as a female – down-down **MauSei**.

WOW: **Dags** regurgitates "Loaf" from several weeks ago and most pick the thesaurus alternate meaning for the word – "Deja vu". Incumbent wearers **Bravefart** nominates **Kazi** for his antics in the car tonight whilst **Squirt** thinks **Voodoo** would make a worthy recipient. **Cow Cnut** rightly believes **Rads** should have the shirt for blowing the clutch on the bus (accolades for CC's thinking that if he wound up the Radical, we would all be warmed by the latent heat from his rise in blood pressure and his laps around the circle). **Dingo** thinks **Cookie** should have it for belonging to the top 300 minors set. **Coops** finally chips in and nominates **Sheepthrills** for the virtual run laden with virtual chalk, virtual planning and virtual virtuosity – real shirt to **Sheepthrills**.

Run Report: **Coops** rates it a virtual 8/10.

Next week's run: At **Screwdrivers**.

Hash Lunch: Check your e-mails for the details of the Corner Café in Perth.

Hares Act: **Sheepthrills** leads us all into the 'Dum Dum Dum Dum' anthem to celebrate the U.S. Independence Day.

Song: Elf with a toned down version of #1.

H4 Hashhouse: Con Carne with rice, salad and sour cream – eagerly mopped up by the crew.

2017/2018 HAMERSLEY COMMITTEE – NOW IS THE TIME TO CONTACT THE ON SEC IF YOU WISH TO NOMINATE FOR A PRIZED POSITION ON NEXT YEAR'S COMMITTEE. IT WILL BE THE 40TH H4 COMMITTEE INTENT ON CLEARING EXCESS FUNDS SO COME JOIN IN ON THE SPENDING SPREE.
