[Run Report 2018: Squirt & Screwdriver @ Screwy's Place](#)

Bus Driver next week 17th July 2017 is Southern Bus Crew

Preamble: Driving solo tonight as the duplicate is off to France for a month. Looking forward to seeing **Screwdriver's** abode for the first time even if it is only the back entrance we have been invited to (no puns please about poofers here). Did not realise how close I was to his house when I lost trail at the restaurant run a couple of weeks ago. Cold night ahead but a reasonable assembly has formed. **Squirt** mounts the crate and precedes directions with only feeble excuses (this could be a shit run though a drink stop has been promised).

The Run: The pack covers one of **Screwdriver's** previously marked runs and the boys fully expect the drink stop to be at the Memorial adjacent to home only to find it at the prison walls. Those four that made it in reasonable time had their refreshment and suggested to the hares to pack up and go home before the rest arrived (mates hey!). By the time we get home, a fire has been raging for some time and most of the tinder has been burned (looks like some heritage lumber may be required).

Circle Up & Visitors/Returniks: **Baron** ices both **Concorde** and **Tampax** for urinating on the weeds instead of using the lean-to in the corner of the property. Garry (**Tampax's** mate from Queensland), **Swallow** from Crankers and **Halfway** qualify for a drink.

General Business: **Coops** has sourced accommodation for IH18 and will be e-mailing those going for a deposit to secure their rooms. Mother Hash is celebrating 80 years of hashing in October 2018. **Baron** tells of Euro Hash being in Scotland in 2019. **Halfway** has a drink from one of his new shoes and **Squirt** gets complimentary ale for being made redundant (not sure if that was from work or from **Rations** or both).

Charges: **Boof** is charged by **Baron** for interrupting his conversation with **Bravefart** earlier. **Kazi** thinks **Screwdriver** is guilty of parking the bus away from the fire – all agree as we may have been able to claim insurance for the bus. **Cookie** thought the run was going swimmingly until **Voodoo** asked **Boof** about the weekend's rugby and neither shut up all the way home – down-down **Voodoo**. **Screwdriver** names those inconsiderate, greedy sods who wanted the drink stop shut down before others could imbibe – **Cookie**, **Boof**, **Polepolisher** and **Voodoo** guilty as charged.

WOW: Stand in syllabus soother for tonight **Disgraceful** with the word "Dags" meaning **Sheepthrills** thinks yours truly should take the shirt from him for who knows what, **Bravefart** thinks **Sheepthrills** should be the carryover and **Baron** is still not happy about the errant pissers and nominates **Boof** for his misdemeanor performed after earlier warning from the GM. **Sheepthrills** has it again as it was not worn on the skin tonight.

Run Report: **Boof** thought it was too short and rated it only 7/10.

Next week's run: **Rads** at Marmion Reserve Myaree.

Hares Act: **Screwdriver** orated the "Ode to the Bus" – 'Behold the bus and it's wearing....'

Song: **Tampax** and #1.

H4 Hashhouse: Fremantle Voles with smashed spuds – delectable!

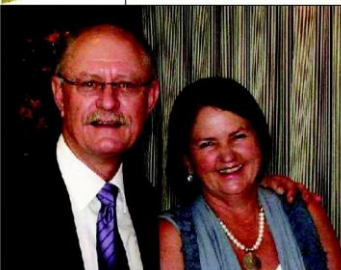

2017/2018 HAMERSLEY COMMITTEE – NOW IS THE TIME TO CONTACT THE ON SEC IF YOU WISH TO NOMINATE FOR A PRIZED POSITION ON NEXT YEAR'S COMMITTEE. IT WILL BE THE 40TH H4 COMMITTEE INTENT ON CLEARING EXCESS FUNDS SO COME JOIN IN ON THE SPENDING SPREE.
