[Run Report 2021: Baron @ Jubilee Reserve Eden Hill](#)

Van Driver next week 7th August 2017 is C-Man

Preamble: Driving east on Morley Drive I get the feeling that I am being followed so I take a quick right into Wicks Street (well before the required turn to tonight's run site). I then make various turns and confirm that a dark SUV is indeed tailing me. Upon arrival at Jubilee Reserve I discover that the possible WOW is in fact **Mudguard**. Van is not here tonight and **Rads**, **Gasman** and others are unloading all the rain sodden paraphernalia from the back of the Ute that is parked next to me. I wait in my car for a good ten minutes or so and then when it appears all has been unloaded, I spring out of my car and offer a lending hand (what? I am told there is nothing more to do). **Dags** could be in a heap of trouble tonight as he has not turned off the rain. The honourable **Baron** mounts the crate and tells us to head east into the showers (most of our learned tribe stay put in the shelter of the pavilion).

The Run: Wet, Wet, Wet and more Wet from all reports as I stayed back to protect my clipboard. Eventually, after a couple of ales, I witness several runners sprinting home across the oval (possible candidates for WOW no doubt).

Circle Up & Visitors/Returniks: **Gasman** is back.

General Business: I remind all of the committee meeting Wednesday 2nd August at **Bravefart's**. **Rads** has booked places at the Good Fortune Roasted Duck Restaurant William Street Northbridge this Friday 4th August – BYO corkage \$1.00 each. **Roo-Ted** thinks Craft Hash is at **Cookie's** place in Gosnells (**Cookie** must have gone bankrupt and has relocated to avoid his creditors.) Everyone is still waterlogged so we move onto next business.

Charges: **Meladjusted** charged **Dags** with the bleeding obvious observation about him having a lack of knowledge and not knowing the meaning of the upcoming Awesome Foursome Run – Down-down **Dags**. Then we had accolades instead of charges (I think some were trying to make proceedings warm and fuzzy) from **Baron** on **Bravefart**, **Boof** and **Coops** and their effort of singing in the rain. Then there was an accolade on **Baron** for stepping into the breach and setting tonight's run (actually **Baron** self-accolades as no one else was prepared to give a toss).

WOW: "Yakker" is **Dags'** two syllabled conundrum = work (and I always thought it was Yakka). **Coops** looks to unload his shirt onto either the gloating **Tampax** or onto the Rain-man **Dags**. **Sheepthrills** looks to unload his shirt onto either **Tampax** or **Screwdriver** for matters relating to Crankers. **Mudguard** steps forward to defend all the nominees and ends up with the shirt 'au de skin'. WOW to the not so inconspicuous PI **Mudguard**.

H4 Honors: Tonight we celebrate anniversaries for **Voodoo** (25 years) and **Barrelina** (15 years). Recollections of various memorable events for both contributed by **Screwdriver**, **Roo-Ted** and **Wimpy**. Ode is read by **Tropo** and hats are presented by **Baron**.

Run Report: **Concorde** gives it an 8/10 for what he could remember which recalibrates to 10/10 for the rest of us as, after all it was the GM we were rating.

Next week's run: **Mudguard** is setting a live scooter run from Monyash Oval Carine.

Hares Act: **Barrelina** provides some humour about an indigenous wedding, a broken hand and sticky fingers and another yarn about the golfer receiving a female bionic arm replacement and his ensuing tribulations with parallel parking, hard ons and headaches.

Song: **Gasman** and #1.

H4 Hashhouse: Hearty green Thai curry with enough kick to compensate tonight's crap weather.
