Run Report 2022: Mudguard & Panels @ Monyash Oval Carine

Van Driver next week 14th August 2017 is Rads

Preamble: Nothing important to report about **me** this week (I am sure you are all disappointed). Van is looking more resplendent as each week passes by. **Voodoo** has his first of nine for achieving 900 runs. **Mudguard** is here early enough (must not have taken any detours for a change) to step up on the crate and tell us all to f*ck off that way.

The Run: Into the dark we head and almost immediately transverse the adjacent footbridge into the streets of south Carine. Pack is initially kept tight with good use of FT's but eventually splinters to accommodate the miniscule group of runners. Everybody is home soon enough to copious mountains of dog roll, cheese and crackers etc.

Circle Up & Visitors/Returniks: **Voodoo** has his second whilst we wait for **Ampol, Morphine, Putrid, Sir Kumsize and XYZ** to make their way forth for welcoming drinks.

General Business: **XYZ** has returned from Euro hash which was a great event and needs a co-hare for the run he is setting in a few weeks. **Kazi** wants to know if City to Park is on this year – **Baron** says he will research and advise via e-mail to the members. **Sheepthrills** has ice close to the skin for gobbing off again. **Baron** importantly tells the assembled that changes to Subs and other regulations have been approved by the committee for the coming year and that **Scrotus** will circulate the details soon. **Voodoo** enjoys his third down-down. Accolades are bestowed upon the Van re-modelers **C-Man and Mel Adjusted**. Birthdays are toasted for **Coops and Dingo**. The slow moving dope **Morphine** is iced/pooped for misdemeanours whilst **Voodoo** has his fourth. **Rads** reports that 12 showed up for the hash lunch last Friday, very tasty duck from all intelligence.

Charges: **Arseholio** successfully convicts **Halfway** who is iced for losing his 25 year hat for the third time. **Bravefart** spotted **Putrid** looking for FT's under parked cars on the run and not under the nearby light pole – down-down **Putrid**. **Kazi** spotted **Bravefart** hiding behind the said light pole for which **Sheepthrills** was annoyed in not doing the same. **Voodoo** downs his fifth. **Voodoo** is sick of the unemployed **Squirt** pleading poverty yet sighting him at Asian destinations twice during previous months. **Cow Cnut** is charged for failing to provide refreshment at the recent committee meeting followed by **Screwdriver** defending the charge, **Mel Adjusted**

getting involved together with **C-Man** joining the argument – confused yet? You write about it – **Mel Adjusted and Cow Cnut** get a down-down each. **Voodoo** consumes his sixth with no proxies in sight.

WOW: “Gutzer” – a consecutive multi syllable effort from **Dags** and no **Cookie** present to appreciate the upside in **Dags’** vocabularic development. “A over T” is the meaning. **Mudguard** has issues (one of them being next year’s seating arrangement in the circles although a season reserved ticket has already been allocated) and also is not happy that certain committee men have evaded the wearing of the garment. Nominees were **Screwdriver, MelAdjusted, Dags** and **yours truly** (I have already worn it this year which seems to have escaped the notice of the blubbering accuser). **Dags** selflessly self-appoints and dons the shirt gracefully (something that the pleb recipients have difficulty doing).

H4 Honors: Tonight we congratulate: Voodoo has done 900 runs and he will do 900 more (not?) and steps forward to consume his seventh, eighth and ninth drinks proxy less and also to receive his badge and the celebratory chorus from the H4 Centurion Choir.

Run Report: Kazi is called forward and seems stumped for words of praise but gives it 9/10 anyway.

Next week’s run: Awesome Foursome at McDonald Reserve Padbury.

Hares Act: Mudguard and Panels recite a number of parables mostly about **Mudguard** himself!

Song: Halfway leads those of us who know it into #3 – “The finest of hash house harriers.....”

H4 Hashhouse: Hot Dogs galore.

SUBS AND ACCOUNT KEEPING FOR THE COMING YEAR HAVE CHANGED. WATCH OUT FOR IMPORTANT E-MAILS DETAILING THE CHANGES.

2017/2018 HAMERSLEY COMMITTEE – CONTACT THE ON SEC NOW IF YOU WISH TO HAVE A PRIZED POSITION ON NEXT YEAR’S COMMITTEE. IT WILL BE THE 40TH H4 COMMITTEE SO BE A PART OF H4 HISTORY.
