[Run Report 2027: Polepolisher & Dick Van @ Jubilee Reserve Bassendean – JK Memorial Run](#)

Van Driver next week 18th September 2017 is Mase

Preamble: What is it with this location? Here several weeks ago and it teamed, tonight looks like doing the same (**Dags** forefathers must have caste some sort of **Voodoo** during dreamtime). Full size effigy of **JK** adorns the side of the new van and some of his offspring are present to celebrate his memory. **Polepolisher** mounts the crate (with a suspiciously look alike of **Bravefart** standing in the wings) and tells all to disappear into the nearby bushes.

The Run: Meanderingly we weave our way around the perimeter of Jubilee Reserve and head east over Walter Road towards the Bassendean Hotel where Rosalie the Skimpy eagerly waited to serve the boys willingly with a smile or two, and also an ale (**MelAdjusted** is spotted canvassing the young lass for an impromptu appearance at one of our upcoming gentlemen's' evenings [Christmas is my guess]). Pack makes it way home after an hour and still all dry on the exterior.

Circle Up & Visitors/Returniks: **Baron** raises a toast to **JK** before **Damian** and **Andrew Kelly**, **Ampol**, **Arseholio**, and **Aunty Jack** are welcomed back with refreshment.

General Business: **Baron** admonishes **Precious** for not introducing the visitors (the **JK** sons) to him on arrival. **C-Man** presents the GM with a shirt from his travels to Batang H3 (Malacca) – size XXXL so plenty of room to fit a mate in with him at the same time (what are these overseas clubs thinking about our GM?). **Mullet** has a POO (point of order) regarding last week's effort of **Replicar** driving the van home with the bat lights attached and illuminating on the sides.

Charges: **Voodoo** remonstrates with **Polepolisher** for attempting to replicate **Baron's** run from this location some weeks ago – down-down **Polepolisher**. The Kelly boys are guilty of not wearing H4 gear to the run tonight and are given a drink and also a complimentary H4 shirt each by **Disgraceful** for future appearances. **Gasman** admits to sacrilege, emptying his beer onto mother earth when asked to by the constabulary of Roebourne - did not waste the down-down he was given tonight.

WOW: "Pooped" emanating from the swashbuckling days on man washed over the "Poop Deck" – both still meaning you are wasted. **Elf** recites his case for **Donka and Kazi** being worthy recipients of the shirt before **Baron** cites **Concorde** for gobbing off all night in the circle – **Concorde** is WOW.

H4 Honors: Tonight we congratulate: MelAdjusted has been with the club for 10 years now and is given the hat. **Screwdriver** reminds us of his ability to secure the services of appropriate flesh whenever the club requires. Let us not forget the actual reason for naming the deviant – he followed the famous Mel around the traps of Perth for ages. Well done **MelAdjusted**.

Run Report: Troppo and his appendage managed to keep up with the pack for most of the evening due to its clever design and gave it a 9/10 (any higher and the wrath of God may have been witnessed).

Next week's run: Bravehart at Kingsway Sports Ground.

Hares Act: Polepolisher with an excellent Ode to **JK** – top effort appreciated by all.

Song: Arseholio with #2.

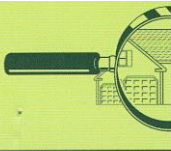

H4 Hashhouse: Burgers hot off the newly christened Rolls Royce BBQ.
