## Run Report 2028: Bravefart & @ Kingsway Sports Ground

### Van Driver next week 26<sup>th</sup> (Tuesday) September 2017 is Ampol

**Preamble:** A lot of returnees tonight, the promise of a warm evening bringing out 30 Hamersley men for **Bravefarts** run. **Bravie** climbs onto the crate to tell us the run is still being marked. So go that way while I go and finish marking the run.

**The Run:** The 6 or 7 runners headed off around the carpark onto Sporting Drive, through the parks to Hartman Dr. Back to the softball club, then trough the Giants baseball club to Hepburn Ave, past the soccer club. To false trails near the Caltex garage, which caused much confusion to most of the hashmen. Trail is called back to Olympic Kingsway Sports club, into the streets around Old Trafford Park past the Wanneroo Cricket club and bringing the runners home in just on the hour. We saw plenty of sports tonight.

**Circle Up & Visitors/Returniks:** The circle is called, and a minutes silence called for **Coops'** mother in law who has passed away. We had **Hippo**, **Sir Kumsize**, **MTM**, **Stir**, **Bravefart**, **Mophine**, and **Darling**, back from parts unknown, unless you follow them on Face book.

**General Business:** **Coops**, Interhash Fiji, has 3 rooms left @ the Mecure, be quick or you'll be sharing with **Arseholeo**, 247 days to go so book your fights, there are some good deals at the moment.

**Morphine** reported on Albany H3 10th Birthday fun. **Concord** did an **Arseholeo** on the ice and left a large stain(or lump). **Morphine** was put in the stockade and was had by all. **Screwdriver** drank until he had to make room for more piss by regurgitating the contents of his gullet. It was a great show by Albany H3. **Precious & Tagg** are going to Tassie to represent the mighty Hamersley at the 50 years of hash in Australia celebrations. Munch master **Rads** has left **Screwdriver** in charge, so we're having a Sundowner at the Lucky Shag on the 5<sup>th</sup> October from 4.30pm, instead of the traditional hash lunch. Talking of tradition, **Dags** is haring the run on Tuesday the 26<sup>th</sup> Sept from his house 72 Warburton Ave Padbury. Thursday 28<sup>th</sup> Close To My Heart run by SOP @ **Screwdriver's** house Swanbourne St Fremantle. The **Grand Master Baron** has decreed that you can only count one of the runs that week to your tally.

**Charges:** **Gasman** charged **Hippo** for pretending to be God, **Hippo** had a colonoscopy the previous Monday. **Gasman** on the ice. **Wimpy** on the ice for gobbing off as usual. **Mullet** charged by **Kazi** for hurting the club

profits, he has decided to cut back on his Monday drinking. **Replicar** charged **Darling** for pretending to be a H4 member by signing the book in the wrong place. **Voodoo** charged **Donka & Kazi** for being wimps and not running the whole run unlike the bionic men. **Cman** charged **Mother** for impersonating **Rads**. **Coops** is charged by the Grand Master of scaring a learner driver training in the carpark. **Coops** replied he did it twice. **Wimpy** wanted to charge the culprit who dented the top of the back of the van, no one owned up to it. **Hippo** charges the committee about the vans number plate being 1CUP, **Mase** defended the committee by telling **Hippo** it also reads 1CUP 604, therefore meaning 1 cup 604 times, reversed.

**WOW:** Word of the week, **Dead Horse**, of course it is sauce. also **Doovalacky**, which is a horse's bridle. The current WOW is missing so wanker of the year **Cman** steps up with some candidates, **Stir**, **Gasman**, & **Mase**. Not sure of the reasons, but **Mase** is declared the winner by the **A.R.S.E**.

**Run Report:** **Coops** was impressed with the run as **Bravefart** has only been back 6 days. We need more runners out running, score of 9.5/10.

**Next week's run:** **Dags** is haring the run on Tuesday the 26<sup>th</sup> Sept from his house 72 Warburton Ave Padbury. Thursday 28<sup>th</sup> Close To My Heart run by SOP @ **Screwdriver's** house Swanbourne St Fremantle.

**Hash Lunch:** Munch master **Rads** has left **Screwdriver** in charge, so we're having a Sundowner at the Lucky Shag on the 5<sup>th</sup> October from 4.30pm, instead of the traditional hash lunch

**Hares Act:** **Bravefart** told a story about a Hamersley salesman at Harrods. see attached.

**Song:** **Stir**, Finest of Hash House Harriers

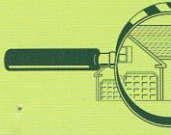

**H4 Hashhouse:** Hamburgers for grub cooked by **Dick Van** supplied by **Bravefart**.
