## Run Report 2029A: Dags & DV8 @ Home of Dags Padbury

### Van Driver next week 2<sup>nd</sup> October 2017 is MelAdjusted

**Preamble:** Thanks to **MelAdjusted** for scribing in my absence last week whilst I was in Singapore (apologies to **Mudguard** for not warning I would be away – I know your alopecia would have only worsened). **MelAdjusted** looks like he has the makings of a half decent On Sec in future. A reasonable number have turned up for the first of the double run week – approx. 30 or so. Stand in GM **Mase** mounts the crate eventually and calls up **Dags** to inform the boys of tonight's proceedings. Off we go on what is only going to be a 30 minute run/walk.

**The Run:** Twas a very tightly engineered run keeping within the bounds of Giles, Marmion and Warburton Avenues with both the runners and walkers all back together inside the allocated 30 minutes. No one seemed to complain, all must have had a hard long weekend.

**Circle Up & Visitors/Returniks:** **Mase** beckons **Cookie**, **Concorde**, **Halfway**, **Biggles**, **Harvey Wallbanger**, **DV8**, **Captain Hook** and **Diesel** forward for a welcoming drink.

**General Business:** **Mase** instantly removes the WOW shirt from his robust frame and tosses it (the shirt) into the van without a single utterance from the assembled about pies. **Ballerina** informs us that **Shit Scraper** has been banned from the blow job competition in Bali this year because the organizers want a female to win it this time around. **Cookie** is looking for intelligence, but more specifically, about the cost of a beer in downtown Fiji so that he can price the costings of Hamersley's IH18 Offshore Run. **Coops** passes on that this Thursday's Close to Your Heart Run has a theme of wearing yellow or gold attire by participants. **Halfway** requests that members stop throwing their empty cans at the bin by the van as the missed attempts are denting our newly acquired pride of the fleet. He also announces that he has arranged for a Friday the 13<sup>th</sup> H4 lunch at Ten-Ten Restaurant in Victoria Park for next month's triskaidekaphobian event.

**Charges:** **Halfway** accuses the bleeding obvious that **MauSei** is blocking his light. **MauSei** has an issue (for a change) about **Mullet** you're in eigthing on **Dags'** verge side sign – esteemed member of the Bar **Bravefart** steps in to defend **Mullet** and all three have drinks awarded. **Hardcase** also defends **Mullet** with a song entitled "Poots Hoot Fyrez".

**WOW:** As **Cookie** is back, **Dags** doubles up with "Bitzer" and "Corker" – an enviable double of double syllabic gems. **Concorde** is displeased that **Morphine** was the source of the leak regarding ice shitting in Albany. **Replicar** wants corporal punishment afforded to **Cow C\*nut** for not bringing the Beer Ledger to record tonight's consumption (**Captain Hook** would have been a more appropriate penance). **Morphine** is WOW.

**Run Report:** **Cookie** is called upon for an account of the run but as **Cow C\*nut** has also forgotten to bring the polygraph, **Diesel** is called instead and thinks that his journey to **Dags'** front verge and back was void of faulting and gave it 10/10.

**Next week's run:** **Harvey Wallbanger** is having it at last year's venue in the car park near the Inaloo Sportsman's Club.

**Hares Act:** **DV8** relays **Close To Me's** experience with **Dags'** appetite. The other day she asked him if he wanted her to prepare a full English breakfast which he rejected due to the side effect of Viagra suppressing his hunger. At lunch time he also passed on an offer of sustenance for the same reason. At dinner time he also refused a mixed grill nosh up, again for the same reason. At this point, **Close To Me** finally lost patience and told **Dags** to get from atop of her as she was famished and needed to get some food for herself. There was another tale about the misworded e-mail about wife and Wi-Fi and some one-liners from **Dags'** archives of jokes never to be told amongst friends to not get a laugh which achieved exactly that.

**Song:** **Mac the Mouth** hobbles us into H-A-M-E-R-S-L-E-Y spells HAMERSLEY.
