## Run Report 2029B: Annual Close to Your Heart Run

### South of Perth Hash @ Screwdriver's Yard in Fremantle

**Pre-Amble:** The tradition of the Close to Your Heart Run started in September 2009 with the first run being hosted by the Perth Harriettes with proceeds going to the Asthma Foundation. The Charity Run effectively replaced the "Wheelies Run" which always used to be set from the Shenton Park Rehabilitation Centre. Since the inaugural Run in 2009, there have been a total of eight Close to Your Heart Run with last year's hosted by the Numbats in aid of the White Ribbon and Clear Ribbon Charity. Most clubs have taken their turn to organise the event and this year, at short notice South of Perth Hash stepped forward and started a new tradition of hosting the event on their regular club night.

The dress code was yellow and gold so "bling" was on display everywhere. Screwdriver had even set up a cocktail bar serving (guess what?) Screwdriver's and Champagne cocktails so the Harriettes in pretty little yellow dresses were kept happy! A huge bonfire was ready to be lit and raged throughout the night.

The SOP RA had done a sterling job in turning back the torrential rain falling all morning, and some 135 hashers turned up for what was to become an entertaining evening. At 6.30 the SOP Co GM, Torvil called the mob to order and the hare Rusty Nuts gave a chalk talk and set them on their way.

**The Run:** We headed out of the gates and in a big loop around Stevens Reserve back tantalisingly close to the bucket until we turned North, over the hill towards the Monument. The cunning hare then weaved the pack through the streets of East Fremantle eventually turning back South across next to the Golf Course and into a welcome drink stop at the site of the old Kim Beasley primary school. Copious amounts of beer, cider and nibbles were on offer, which was a good thing because nearly the entire pack made it this far.

**The Grub:** SOP Hash has a tradition of eating straight after the run before the circle which is what we did tonight. They had set up a camp kitchen and the mob feasted on freshly cooked fish and chips and an array of salads. Thanks to Dolly Wodger for donating the fish.

**Circle Up:** Torvil called the circle to order and handed over to Co GM Where's Wally who brought all the visiting GM's in for a drink

**RA and Charges:** The RA, whose bore a striking resemblance to our very own Screwdriver stepped into the circle and called the hare in to hear his run report. He was joined by the four cooks, fireman, bar men, nibbles provider and firewood chopper. In short it took 11 of them to organise the run and food, so the RA, uncommonly lost for words simply awarded them a score of 11 out of TEN. Next he called in Thunder from Rocky City Hash who he decreed was "Saint of The Week" as he wore a bright yellow Safety Vest on the run, thereby keeping the cars at bay. Then he called in Tight Arse from Friday Hash who he announced was the "Dickhead of The Week" for holding up a barbed wire fence and promptly dropping it as the RA approached. Maybe he had not been fully briefed on SOP etiquette.

**Jokes:** SOP Hash semi-professional joke teller Meat Man shared a few one liners

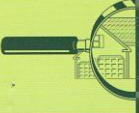

**Next Year's Run:** Where's Wally announced that Friday Hash has volunteered to host next year's run and current GM, GPS was called in for a drink. It is completely possible that this run will be on a **FRIDAY!!**

**Raffle and Donations:** There was a raffle (3 actually) and it is rumoured that total funds raised on the night were about \$3,000. Final figure will be announced. Thanks to Hamersley for the collection at Run 2029A on Tuesday.

**Songs:** The club songs were sung, the circle ended and a large crowd hung around drinking and socialising around the roaring bonfire.
